# Carnival Blast

The annual Campus Community Carnival was a success, even though the wind blew strong and the clouds threatened with sprinkles of rain.

The carnival was held on Saturday, Sept. 28 from 11:am to 3 p.m. at the Angell College Center Amitie Plaza.

The idea of the Carnival is to introduce the college campus to the community: not to make a profit. The booths ranged from bean bag tosses to a dunking booth. Also on hand was an inflatable boxing ring owned by Pelican Interactive Entertainment. The boxing ring was very popular with the college students. Pelican also brought along an inflatable maze and a test your aim game. To add to the excitement of the day, Burghy the lovable Cardinal came to greet the community and pose for pictures before he had to go ice skating at the Field House. The carnival was a huge success as the community and campus enjoyed a fun-packed day.

-Lynn Trombley

# Homecoming

The annual Homecoming parade, sponsored by the Student and Alumni Associations began at 10 a.m. on Saturday from the SUNY Plattsburgh Field House parking lot on Upper Rugar Street. Hundreds of students and members of the Plattsburgh community contributed in making the parade a complete success. Alumni were invited to march as well. The theme: **REACH FOR THE GOLD!**

It was indeed an eventful morning for the people that took part and spectators as well. Mayor Clyde Rabideau lead the marchers down Rugar Street and up South Catherine Street to downtown. Alumni of SUNY Plattsburgh from as early as the graduating class of 1946 followed in their cars, proud and spirited, waving enthusiastically to the bystanders.

Each student worked hard to make their float in the short time given. Traditionally students are given a day and a half to build the float. However, students weren't allowed to start stuffing chicken wire until Wednesday afternoon, and therefore were on a tight schedule. The support of the participants and the audience contributed to the parades success.

# Presidential Address To The Class of 1997

**Plattsburgh**  
STATE UNIVERSITY OF NEW YORK

OFFICE OF THE PRESIDENT  
159 Hawkins Hall

MAILING ADDRESS  
SUNY Plattsburgh  
101 Broad Street  
Plattsburgh NY 12901-2681  
Tel: (518) 564-2010  
Fax: (518) 564-3932

Congratulations Class of 1997!

You have successfully completed your course of study at Plattsburgh State University of New York. The accomplishments of the alumni who preceded you make us very confident that you are well prepared for the next phase of your lives.

We sincerely hope that you leave here fully understanding your role and responsibility as a citizen, that civic responsibility is the cornerstone of a democratic society, and the essentiality of balancing the rights of the individual with the critical needs of society.

We are privileged to have contributed to this phase of "your becoming." Continue moving forward in recognition of the global imperative for continuous learning and growth.

We are better and stronger because you were here. This is a strong, quality institution because of the extraordinary support of its alumni. We will need your support to remain a high quality, accessible, affordable institution for future generations. The taxpayers of New York and the alumni before you provided you with the opportunity that we trust you will help provide others.

Good Luck! Continued Growth! Continued Education! Continued Success!

Sincerely,

*Horace A. Judson*

Horace A. Judson  
President

## President Dr. Horace A. Judson

# *Leadership: Making a World of Difference*

Elaine Chao

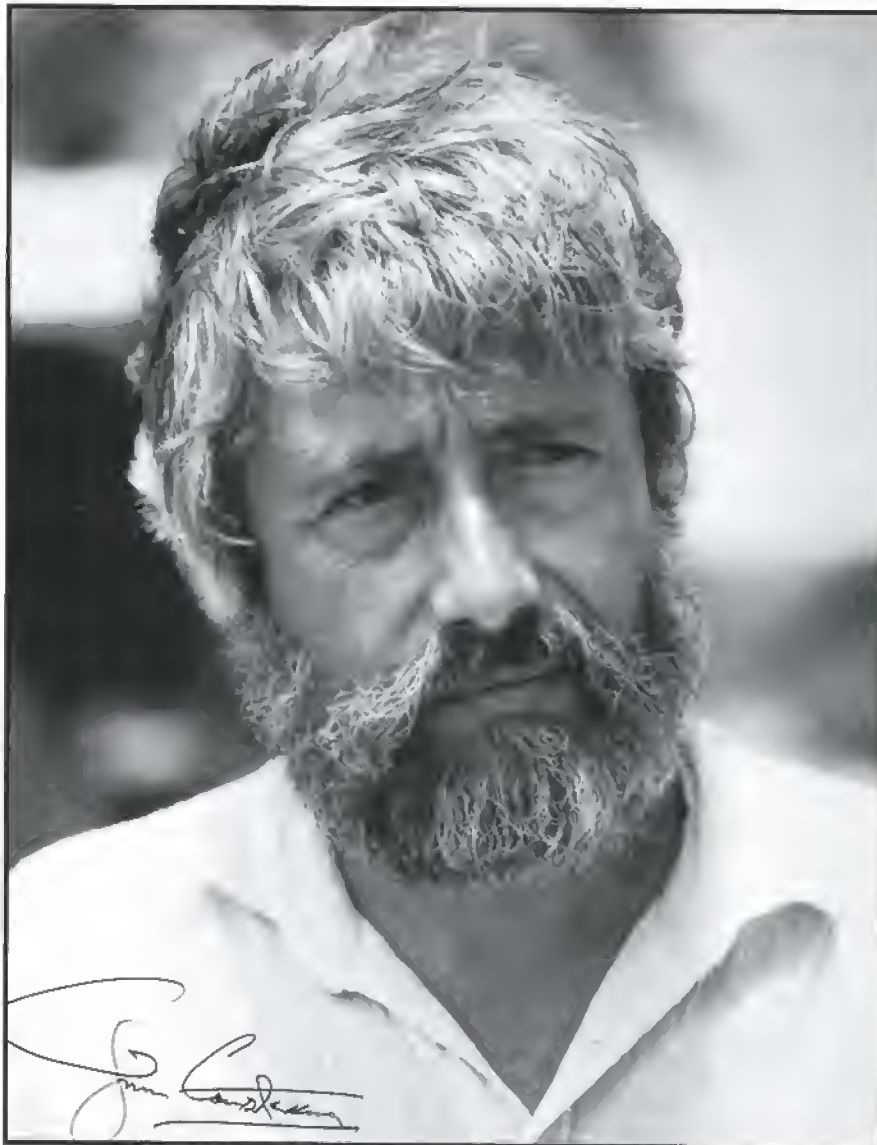

Elaine Chao is the immediate past president of the United Way of America (UWA) and now serves as a distinguished fellow at The Heritage Foundation. Prior to joining the UWA, Chao was director of the Peace Corps and has also served as the deputy secretary of the U.S. Department of Transportation, Vice President of syndications at the Bank of America Capital Markets Group, and is a White House Fellow. She is also married to United States Senator, Mitch McConnell from Kentucky. Ms. Chao delivered a message which stressed the importance of effective leadership in order to realize both group and individual potential.

# *Designing Our Future*

Jean-Michel Cousteau

Jean-Michel Cousteau, son of pioneer environmentalist Jacques-Yves Cousteau, is an impassioned, eloquent spokesman for the environment who has spent his life exploring the world's oceans and communicating to people his love and concern for the planet. Mr. Cousteau is a graduate of the Paris School of Architecture and a world renowned architect, collaborating on the design of artificial floating islands, schools, and museums. Mr. Cousteau has served as Executive Producer of the films Jacques Cousteau: The First 75 Years and the Emmy Award-winning Cousteau Mississippi. A prominent and active speaker, Jean-Michel travels the country, lecturing to as many as 100,000 students every year.

# *Generation X Debate: Politics*

Farai Chideya & Kellyanne Fitzpatrick

Farai Chideya and Kellyanne Fitzpatrick will breathe fresh air and new energy and insight into their debate of political issues during this election year. Farai Chideya is the author of *Don't Believe the Hype*, an analysis of the media distortion about African Americans. A graduate of Harvard, Farai has written for Newsweek and MTV News and is working on her second book.

Kellyanne Fitzpatrick is President of the polling company, the only openly conservative polling company in America. She is a frequent contributor to The Wall Street Journal's op-ed page and is an Adjunct Professor at the National Law Center. Farai and Kellyanne appear regularly on CNN's *Inside Politics*.

# *A Street-Smart Career Guide*

Laura Pedersen

Laura Pedersen was eighteen years old when she was hired for an entry-level job on the trading floor of the American Stock Exchange. Within four years, she became a millionaire. In her book, *Play Money: My Brief But Brilliant Career on Wall Street*, Pedersen offers a candid look at the way Wall Street really works. Pedersen has written her second book, *Street-Smart Career Guide*, which provides practical advice on turning work into wealth. She spoke on choosing and pursuing a successful career. "You don't have to be born with a silver spoon, have Mayflower family connections, or be an Ivy League graduate to succeed in business".

# *From the Gallows to the Gavel*

Darryl Van Leer

Darryl Van Leer is a gifted actor who spent much of his time entertaining and educating campus audiences with his character impressions of such great historical figures as Frederick Douglass, Malcom X, and Martin Luther King, Jr. Born and raised in Madisonville, Kentucky, Van Leer has performed at more than 150 colleges and universities and has received nominations for three national awards including best lecturer and best performing artist for the National Association for Campus Activities. He has performed extensively in local stage productions and has appeared in the major motion picture *A League Of Their Own*. In his newest program Van Leer transforms into six characters beginning with former slave Nat Turner and eventually evolving into former Supreme Court Justice Thurgood Marshall. He captures the essence of the struggle and courage of some prominent figures in African American History.

# Seventeenth Annual Student Recognition Awards Ceremony

Hosted by Omicron Delta Kappa  
The National Leadership Honor Society

## OMICRON DELTA KAPPA

Omicron Delta Kappa is a national leadership honor society for college men and women. It was founded at Washington and Lee University, Lexington, Virginia, on December 3, 1914. ODK was the first honor society of national scope to give recognition and honor for meritorious leadership and service in extracurricular activities, to promote outstanding scholarship and to encourage the development of general campus citizenship. Today there are active circles of this organization on 243 college and university campuses throughout the United States.

Membership in Omicron Delta Kappa is awarded primarily to junior and senior students, but graduate students may also be extended membership. A unique aspect of ODK is that faculty and staff members may also be invited into membership. Exemplary character, responsible leadership and service in campus and community life, and outstanding scholarship are indispensable qualifications for membership. ODK became a reality on this campus on May 2, 1981. SUNY Plattsburgh is one of only seven colleges in the State of New York to be granted an ODK charter and the first campus within SUNY.

## THE PROGRAM

### PRESIDING

Mr. William D. Laundry  
Dean of Students

### WELCOME

Mr. Alfred P. Greenwald, III  
Omicron Delta Kappa President 1996-97

### GREETINGS

Dr. E. Thomas Moran  
Academic Provost

Honorable Clyde Rabideau  
Mayor, City of Plattsburgh

Ms. Katie F. Boulay  
Student Association President

# The Claude J. Clarke Learn

Right now someones' on the phone begging for a tutoring appointment.

Kevin helps reduce the population of confused mathematicians.

The Awesome Learning Center Staff

Whoa ! What a crowd. Why do they wait until finals week ?

All photos by Eric S. Model

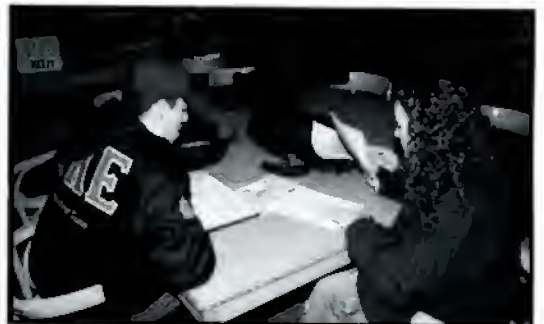

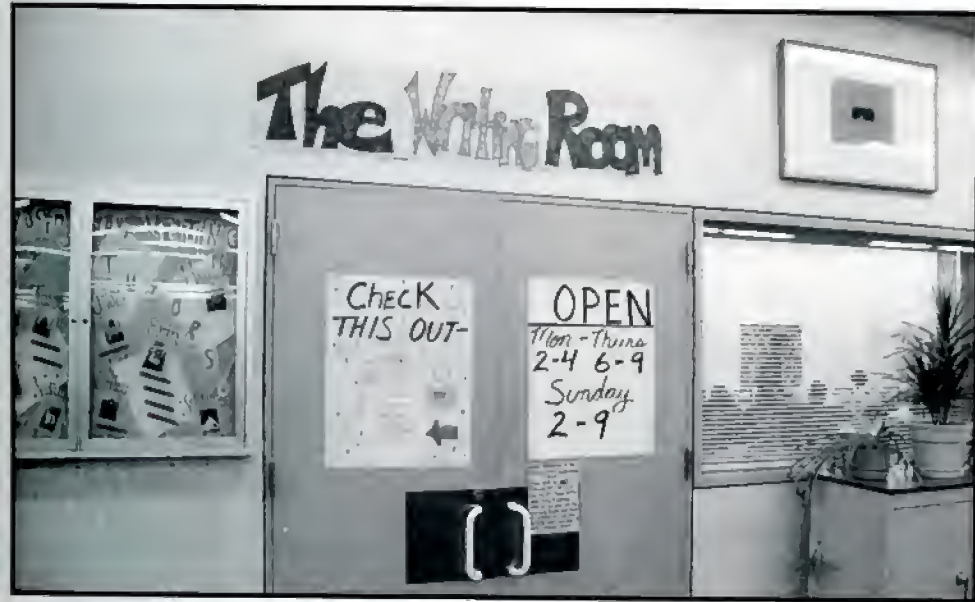

# ing Center

During the school year the Learning Center is a very important resource for serious students. Off campus and On-campus residents alike agree their residences can get a little rowdy and the Learning Center provides the academic

atmosphere they need. Tutors are available by appointment and some are available on walk-in basis. There is also a writing lab located to the rear of the Center, where students can type their paper, or connect to the Internet.

Around Finals week and Midterm week the Learning Center is extremely crowded. Sometimes students can't find a place to sit. At these crucial times of the year the Learning Center is open 24 hours a day. A great idea in helping Plattsburgh students to succeed in their studies.

-Vonetta FA Williams

# SHOWCASE 97

A college is more than just lectures and exams. It is a place of community where each member shares their special abilities and talents to benefit the intellectual fulfillment and emotional growth of the whole. To be effective, minds need to be engaged and challenged and individuals need to become involved.

There are few colleges that do this better than SUNY Plattsburgh. Our strength continues to be a college staff that receives enjoyment from one-on-one interaction with students and a student population that has the initiative and willingness to search out and establish these relationships. Since its inception in 1989, the annual Showcase event has served as a forum for "showcasing" the accomplishments of the SUNY Plattsburgh community. It reminds us all that we are surrounded by people who are gifted, unique, and special.

If you should have any questions about SHOWCASE 1997 or wish to offer suggestions to make future Showcase events more rewarding, please contact Dr. Roger Sandwich at 564-2703 or 564-2116 or SANDWICK (e-mail) or contact one of the Showcase Organizations Members below. We hope you enjoy SHOWCASE 1997.

# *Fine Arts*

# *Cardinal Yearbook* *Recognition for* *Outstanding Artists*

**Vicki Messler**  
**Sean Irwin**  
**Avram Kaufman**  
**Jennifer Holland**  
**Andrew MacDonald**

The Cardinal Yearbook realizes the extraordinary exhibits of Art on the SUNY Plattsburgh campus. Most of these exhibits are the creations of talented students at our university. This year we give recognition to the five most outstanding artists on the SUNY Plattsburgh campus.

The five artists were chosen by **Dr. Edward Brohel**, director of the SUNY Plattsburgh Arts Department, and **Dr. Richard Mikkelson**, chairperson of the Art Departments. The five artists chosen have shown growth in their talent, demonstrated seriousness, and dedication in their individual performances. The Cardinal Yearbook and the Art Department congratulate them.

**Cardinal Yearbook gives a special thank you to:**

**Victoria Messler • Student Vice President of the Arts**  
**Edward Brohel • Director of the SUNY Plattsburgh Art Department**  
**Dr. Richard Mikkelson • Chairperson of the Art Departments.**  
**Mary Lou Beauharnois • Secretary to the Director**

# Micki Messler

Art is a mixture of imagination and craft. These concepts come together best for me in painting. Painting is about aesthetic that is timeless, but is also changing. Painting is a vehicle to allow ideas and feelings to manifest into something that is tangible and accessible to people.

I enjoy non-traditional aesthetics, such as those that deliberately reject the traditional "rules" of what art is supposed to be. I love paintings that reject pure form, question "real" space, and violate the picture plane.

I want my work to feel like gym class in junior high. The uncomfortableness of puberty, the awkwardness of sexuality, the confusion of impending adulthood are the issues I want my work to convey and portray. My post-pubescent viewpoint allows these issues to be explored from nostalgic and mature perspective. I use the doll form to bridge the gap between girlhood and motherhood, which for many climaxes at puberty. My paintings have a very overt sexual edge to them, but also an innocence and a curiosity that speaks to people of all genders, sexualities and ages.

# Sean Irwin

My sculptures have always been deeply rooted with concerns of volume, mass, and fundamental strength. I am able to develop my ideas through careful planning and various considerations related to their fabrication. Steel has allowed me to establish a considerable deal of control in my work, but it still allows room for spontaneity and the reappraisal of my ideas. My earliest works were based solely on architectural aspects and ideas. As my work evolves it takes on

stronger content and personal insight. I have utilized concepts which express greater impact on the viewer's response as well as their ability to relate to the idea. The direction which I have been pursuing and which my work has evolved shows concern for post-modern and post-industrial issues. My work reflects such elements as fear, anxiety, recalcitrance, imposition, power, and grandeur. This subject matter has evolved from both historical and contemporary inspirations.

As my work continues, I hope to enhance the strength of my ideas and gain even deeper meaning in what they represent.

Two pieces of Irwin's work were purchased by the Retirement Committee and given to Dean Liu upon his retirement.

# Avram Kaufman

My ideal concept of art is that which achieves a full interaction with audience. That interaction should be so full that the audience is transformed into an integral

component of the work. That interaction should be so full that the artist is no longer the creator of an object but of a relationship, a reciprocal relationship where not only does the artist's voice reach the audience through the work, the audience's voice is allowed to speak through the work back to the artist. In some ways I feel musical performance to have this perfect relationship. The music becomes the medium for an exchange between artist and audience.

In my own work I have just begun to explore the nature of an art object and the audience in passive/active relationships. The use of blurred images, "real space," switches, etc., are the beginnings of my effort to bring the audience into participation with my work, whether it is in an active or voyeuristic manner. In each of these cases the art work is still a static object whose existence is separate from the audience, so in most cases the work deals with voyeurism in particular the intrusive, dissecting eye of science and medicine. Each piece is a persona whose manner of presentation calls the audience to come closer and look at the details, to find out what happens when...and the result is a tunnel vision that denies what is human. The body is a machine-the soul is transcendent.

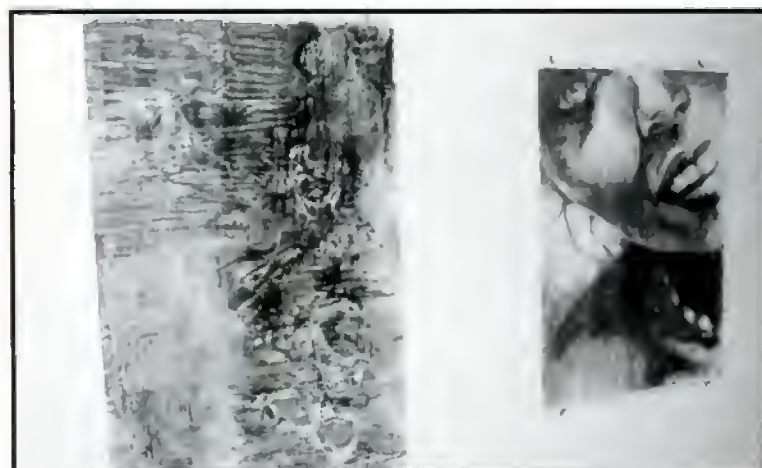

# Jennifer Holland

To create art, the artist assembles a state or object out of variety of media that is lovingly handled and directed in a desired fashion to produce an understanding of aesthetic, a sense of time and space, language and experience. As important as the artist's resulting message, whether it be as simple as beauty, or a heave critique, is the viewers interpretation.

# Andrew MacDonald

*Photo  
Not Available*

Art is, for the most part, physically unfunctional. It does not complete any tasks that aid in natural human survival like so many other things created by the human race. Then why do we do it? Art is the open end of expression that spoken language can not achieve. A thought inside the mind is rarely word or sentence, but an image, sound, or feeling that relates to one or a multiple amount of things at the same time. Art expresses from the head, the subconscious, an abstraction to an abstraction. I am interested in the multiple meanings that are given to objects by various people. The viewer will bring a whole new group of interpretations and meanings to a work, and I am interested in the reaction between my expression and viewer's relations to the work.

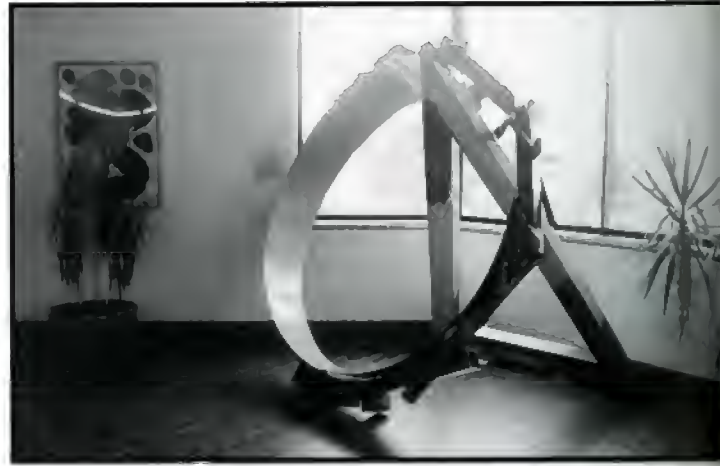

My work centers around the human body and tools as well as their personal and societal meanings. They have personal significance to family, and the strength and drive there in. I find the societal implications of the tools are almost the opposite.

The PSUNY Theater Department presented "Chicago" in the Hartman Theater from March 5-9. The performance featured a talented cast, an original Broadway set and magnificent costumes.

The cast, which was chosen in the fall semester, rehearsed for five weeks. Jen Byrne and Jeannie McCormack starred as the two main characters Velma Kelly and Roxie Hart, respectively. Blaise Shumway played the slick lawyer Billy. He sang "Razzle Dazzle" in Act 2. Jaqueline Robertin was Mamma, the warden of the girls.

L.J. Schwartz was the director, Jason Carbino was the stage manager, and Kim Hartshorn was the technical director.

Musical Director Jo Ellen Miano said "a wonderful rhythm and is from the roaring '20's - it makes people want to dance."

Choreographer Seva Anthony taught the dance numbers to the cast for about two weeks. The cast was accompanied by a 12-piece orchestra.

The set was from the original Broadway tour along with some of the costumes. Costume designer Marie Moor touched up some of the ensembles the cast wore.

"Chicago" is based on an actual 1924 murder. A pretty and married chorus girl shot her love dead because he was walking out on her. After confessing to the crime, a Chicago tribune news-paper reporter reshaped the "story" in

favor of the murderess so much that she was acquitted of the crime and became a celebrity from the sensation-alist trial proceedings.

# Cardinals Strike A

More than 200 students from all disciplines and majors participate in the Music Department's performance program each semester. They develop individual skills through class and private lessons, learn about making music as part of an ensemble and experience the joy of preparing and performing music for an audience. Ensembles and lessons both receive academic credit and count toward graduation.

Plattsburgh music ensembles perform for over 7,000 people annually. Most students find that membership in ensembles enables them to meet many new people quickly, and that the friendships continue throughout their college years.

Individual and class lessons in voice, a variety of instruments and compositions are available.

Music faculty are active as conductors, performers, composers, adjudicators, and consultants, to arts organizations. Students regularly perform alongside their teachers in recitals and concerts.

## Sonnet

You clicked the shades with the trace of your hand,  
And cut the view of the darkened sun.  
I tried to remember the shape of the land,  
While you talked of stars that clustered as one.

My words seemed to traipse all over the wall,  
I know that you listened because of your hand.  
It ran through my hair, absorbing it all,  
The heat, the pain, with the cloth from the stand.

Moments danced slowly with the dust in the light,  
I sighed as I felt your hand on my brow.  
My body felt hotter, wishing for the night,  
But still I spoke on, as much as allowed.

The slight feel of skin quiets my sickly face,  
The husk of your breath helps me leave this place.

# Here I am Again

Here I am again  
these walls look familiar

always hidden  
don't let them see

good enough for second best  
good enough for a quick fix  
good enough to be your furniture  
was it comfortable lay?

here i am again  
these walls look familiar

hung up to dry  
shake out all the wrinkles so no one sees

comb my tangled hair  
wipe your smell from my face  
wipe my lipstick from yours

do i taste good?

you taste bitter-sweet, like me  
the girlfriend in the closet

## ECAC CHAMPIONSHIP

The Plattburgh State men's soccer team made the best of their sixth post-season appearance in the 1990's, winning the ECAC Championship with a 2-1 come-from-behind overtime win over rival Cortland. The Cardinals, seeded number one in the post season tournament reached the championship game with a 1-0 win over Binghamton.

Senior Paul Corbett (Oswego, NY) headed in a free kick from classmate Matt Mincio (Sachem/Holbrook, NY) with 1:24 left in the first overtime period to give the

Plattsburgh State men's soccer team a 2-1 victory over host SUNY Cortland in the ECAC Upstate New York Division III Championship Game. Sophomore Dan Corbett (Oswego, NY) was named the tournament Most Valuable Player.

Plattsburgh began applying strong pressure after Cortland took a 1-0 lead early in the second half. The Cardinal's attack paid off with 4:32 left in regulation when junior Pat McMahon (Rush-Henrietta/Scottsville, NY) scored off a pass from senior Shea Greene (Guilderland/Singerlands, NY) volleying the ball in mid-air to beat the Cortland goalkeeper to the left side of the net. Plattsburgh outshot Cortland 24-9 in the game. Sophomore goalkeeper Andy Cumbo (Fairport, NY) made seven saves in net for Plattsburgh to preserve the win.

Plattsburgh reached the championship game with a 1-0 win over Binghamton on Saturday. Matt Mincio scored off a John

Galli (Vestal, NY) assist with 7:20 remaining in the first half for the game's lone goal. Cumbo made seven saves in the contest for the shutout. Plattsburgh outshot Binghamton 16-10 in the game. It was another record breaking season as the Cardinals scored a school record 80 goals in 20 games (4 goals/game).

The awards rolled for the ECAC Champion Plattsburgh State men's soccer team. Sophomore midfielder Dan Corbett (Oswego/Oswego, NY), senior forward Rich King

(Sachem/Ronkonkoma, NY), and senior back Shea Greene (Guilderland/Slingerlands, NY) were selected to the National Soccer Coaches Association of America (NSCAA) All New York State Region Team.

The Cardinals have been the winningest New York State men's soccer team in the 90's, compiling a 109-18-12 record over the past seven seasons, better than any Division I, II, III team. During that span, the Cardinals have outscored their opponents 435-99. The Cardinals also went four straight seasons unbeaten at home and have only lost four times at home in the 90's.

# Women's Soccer

STATE (NYSWCAA) CHAMPION

The Plattsburch State women's team capped a remarkable season by capturing the New York State Women's Collegiate Athletic Association (NYSWCAA) crown.

The Cardinals, seeded no. 1 in the tournament, defeated no. 2 seed Nazareth 2-1, in overtime for their second overtime victory of the tournament and the first ever title for the women's program. Plattsburch defeated Union 5-1 and Geneseo 3-2 in overtime to advance to the finals.

The women were down 1-0 to Nazareth with under 15 minutes left in regulation when sophomore Jamie Retersdorf (Gloversville/Gloversville, NY) scored on a breakaway, assisted by junior Casey Cannistraci (Bethlehem/Delmar, NY) to send the contest into overtime. Sophomore Jen Jury (Chittenango/Chittenango, NY) gave Plattsburgh the game-winning goal late in the 1st overtime when she drove a header from Whitney Sloan (Brockport/Brockport, NY) into the back of the net.

Sophomore Amy Flick (Saranac/Cadyville, NY) made 13 saves in the Cardinal victory.

# Men's J.V. Soccer

# Women's J.V. Soccer

# Women's Volleyball

The Plattsburgh State women's volleyball team ruled the North Country this season with wins over Clarkson, Potsdam, and St. Lawrence. The Cardinals also defeated Division II St. Michael's College (3-1) in a thrilling match at the SUNY Plattsburgh Fieldhouse.

The season was also highlighted by wins over Russel Sage at the North Country Invite (3-1) and the Hamilton Invite (3-0), Kings College at the Oneonta Invitational (3-2), and Keuka at the Cortland Red Dragon Classic (3-1).

Junior Captain Kerri Heaney (John S. Burke/Greenwood Lake, NY) led the Cardinals in almost every statistical category including hitting percentage (.245), aces (33), assists (612), and blocks (75). Freshmen Tracy Groblewski (Sachem/Holtsvills, NY) and Jessica Strack (Saranac, NY) finished 1-2 in kills with 290 and 239, respectively. Groblewski also led the team defensively with 322 digs.

# Men's Rugby

# Women's Rugby

# Women's Tennis

The Plattsburch State women's tennis team opened the 1996 season by winning the six team R.P.I tournament. Freshman Kim Jackson (Ramapo, NY) won the individual championship at #3 singles and teamed with junior Melissa Zwick (Arlington/Hopewell Jct., NY) to win the #2 doubles championship in the six team tournament.

The Cardinals were perfect at home, registering wins over Russel Sage (8-1), St. Rose (7-2), and Potsdam (8-1). Plattsburch also won road matches against Clarkson (7-0) and Potsdam (6-1) en route to a 5-2 regular season dual

match record. Sophomore Cortnie Daly (Glens Falls/Queensbury, NY) led the Cardinals in the regular season winning eight out of nine matches at #2 singles including an 87-36 game record.

Kim Jackson was second with a match record of 7-1 (85-40) at #3 singles and Melissa Zwick was 6-2 (82-46) at #4 singles. Jackson and Zwick dominated at #2 doubles, compiling a 6-1 match record.

The Cardinals will lose two seniors to graduation, Nadia Khan (Pawling, NY) and Laura Rudy (Somers/Katonah, NY). Khan started all four years at #1 singles.

# Men's Cross Country

2ND AT SUNYAC'S, 5TH AT NCAA REGIONALS  
BURT SELECTED ALL-AMERICAN

The Plattsburgh State men's cross country team finished fifth out of 25 teams in the NCAA Regional Qualifier held at Finger Lakes Community College. The Cardinals fifth place finish was one place short of qualifying as a team for the NCAA Championship, marking the first time in the past three seasons that the Cardinals have not gone to the NCAA's

Jeremy Burt (Madison Central/Hamilton, NY) finished 15th at the NCAA Championships to earn All-American honors.

# Women's Cross Country

3RD AT ECAC'S, 3RD AT NCAA REGIONALS  
CANINO IN NCAA CHAMPIONSHIP

The Plattsburgh State women's cross country team ran to an impressive third place finish out of 21 teams in the NCAA Regional Qualifier held at Finger Lakes Community College. The Cardinal's 3rd place finish was one place short of qualifying for the NCAA Championship as a team.

Freshman Julia McLane-Canino (Seton Catholic/Plattsburgh, NY), however, qualified individually for the NCAA Championships after her seventh place finish at the Regional Qualifier in 20:58. McLane-Canino was the first Cardinal woman to participate in the cross country nationals since 1988.

# Men's Basketball

## A SEASON OF CHALLENGES FOR THE CARDINALS

The 1996-97 season was full of challenges for the Plattsburgh State Men's Basketball team. With a large amount of returning players, it was also a season of high expectations. While all teams face challenges throughout the course of their season, this team endured more than most.

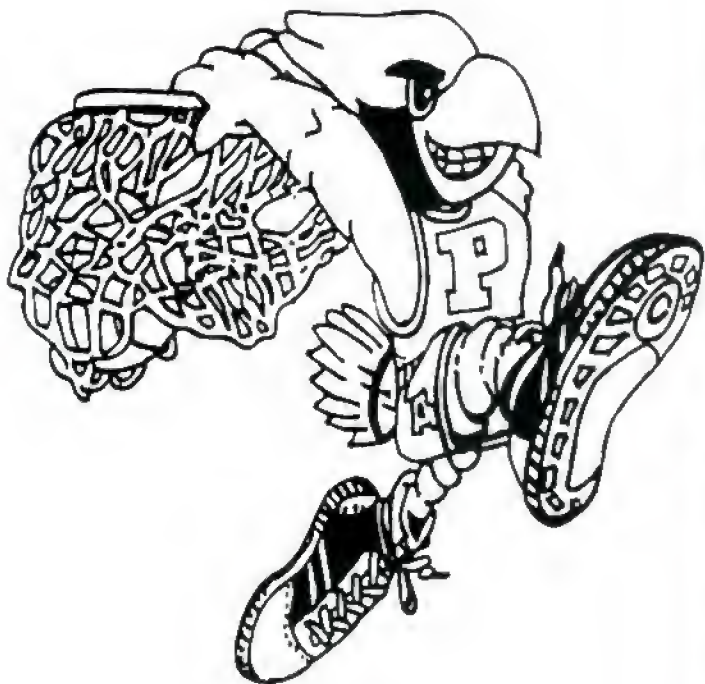

"This was a great group of guys," said head coach Larry Cowan, "And this season, the team faced more obstacles than in all of my ten years here. It seems as if every time that we started to get our momentum up, there was something else that would happen to break it."

Perhaps the biggest challenge the team faced was the loss of pre-season All-American Bryant Butler. Butler, a junior criminology major, left school in late January to accept a job with the sheriff's department in his hometown of Fort Worth, Texas.

Following Butler's departure, the team was led in scoring by sophomore guard Cory Burke (Rochester, NY) who had a total of 260 points this season, and sophomore Gavin Mazurak (Plattsburgh, NY) with 239 points. Junior Glenn VanHouten (Norwich, NY) led in rebounding, pulling down 149 boards and received All-SUNYAC honors. Andre Robinson (Bronx, NY), the team's lone senior led the cardinals in blocks this season, and was second in rebounding.

Despite finishing 10-14, the team did have some impressive wins over some top ranked teams, including wins over Ithaca College (53-52) and Buffalo State (51-48). Buffalo State went on to win the SUNYAC championship.

"The team will benefit from the experiences we had this year," Cowan said.

"We know what we need to work on, and the improvement comes from practice."

# Women's Basketball

Under first year head coach Erin Griffiths, the Cardinal Women's Basketball team entered a new era. Despite being picked last in the pre-season SUNYAC coaches poll, Plattsburgh State reached the SUNYAC playoffs and finished at 11-14, their highest win total since 1987-88. With renewed confidence, the Cardinals rewrote some school records along the way.

With an overall free-throw shooting percentage of 62.4 percent, the team broke a school record set during the 1982-83 season. This was in part, thanks to SUNYAC free-throw percentage leader Suzy Paiser (Plattsburgh, NY), who shot 91.3

percent in the SUNYAC and 89.7 percent overall this season. That percentage broke a 14 year-old school record for highest individual free-throw percentage in a season.

Junior guard Kerry Chapin (North Bangor, NY) tied the school record for most three point field goals in a season with 34. With 95 assists this season, Chapin was second only to Paiser, who had an even 100.

Freshman standout Katie Castine (Champlain, NY) had 286 points this season (11.4 per game average), to lead the Cardinals, who had a total of 1446 points this season (57.8 per game average). Castine was followed by Cathy Cole (Carthage, NY) averaging 11 per game, scoring in double figures in 16 of 25 games this season and ending the season with a total of 265 points. Cole also led the team in rebounds, and registered six double-doubles this season.

# Men's Ice Hockey

## A CHAMPIONSHIP YEAR FOR THE CARDINAL HOCKEY TEAM

With a strong second semester, the Cardinals made their 11th NCAA Tournament appearance, and finished 23-6-3 record after claiming their fourth SUNYAC Championship in the 90's (11th overall). In the first semester, however, the Cardinals found themselves at 6-4-1 with one game remaining before winter break and despite winning their Cardinal Classic over R.I.T., the Cardinals knew they had to do something special to see any post-season action. All the Cardinals did after that was reel off 17 wins and one tie against one loss, including a span of 12 straight wins to enter the 1997 NCAA Tournament as the #1 team in the East with a 23-5-2 record. Along the way the Cardinals registered a perfect 5-0 win-loss record against ECAC East schools including winning the Holy Cross Crusader Classic Championship. the Cardinals then claimed their 11th SUNYAC Championship with series wins over Potsdam (6-2 & 7-1) and Fredonia (6-1 & 1-1).

### *Cardinal Classic Champions!*

Tournament MVP Steve Moffat (Hatboro, PA) assisted on Jason Deslover's (Saginaw, MI) game winning goal at 4:35 of the second period to lead Plattsburgh past previously unbeaten R.I.T. in the 1996 Pepsi Cardinal Classic. all-Tournament selections Eric Seidel (Nyack, NY) and Evan Sylvester (Hanson, MA) scored two goals each in the 5-3 win. Plattsburgh goaltender Pat O'Neil (Plattsburgh, NY) stopped 55 of 60 shots in the two games including 33 of 36 against RIT to earn All-Tournament honors. Plattsburgh defeated Niagara 6-2 in the first game of the Classic.

### *Holy Cross Crusader Classic Champions!*

Steve Moffat knocked in a loose puck with 3:45 left in the third period to lead Plattsburgh to a 4-3 win over Holy Cross Saturday in the Championship game of the 1997 Holy Cross Crusader Classic. Moffat scored three goals and one assist in the two games and was named to the All-Tournament team.

Plattsburgh advanced to the championship game with a 5-1 win over Colby. Cardinal goaltender Brad Erbsland (Rye Brook, NY) stopped 54 of 58 shots in the two game tournament including a 30 save performance in the championship game to earn Tournament Most Valuable Player honors. Also named to the Crusader Class All-Tournament team were forwards Steve Moffat and L.A. Ross (St. Albans, VT) and defensemen Jason Desloover.

The Cardinals won their 11th SUNYAC title this past weekend with a 6-1 victory in Game 1 and in the 1-1 tie in game 2. At 23-5-2, the Cardinals regained the top spot in the final NCAA III East Poll and received an automatic bid to the NCAA Division III Championships to obtain home ice for the quarterfinals.

In Game 1, Plattsburgh came out strong as they outshot Fredonia 42-30. Four players had a multiple point game in the 6-1 victory, including Mike D'Amelio (Liverpool, NY) and Tracey Belanger (Merrimack, NH) with 1g, 2a; Steve Moffat (Hatboro, PA) with 2g, 1a and Jason Desloover (Saginaw, MI) with 2a.

In game 2, Moffat, the SUNYAC Tournament MVP, received a centering pass to beat the Blue Devil goaltender 19 seconds later. After Fredonia tied the game at 11:02 of the first period, the Cardinal's defense took over led by All-Tournament goaltender Brad Erbsland. Erbsland stopped 24 of 25 shots in game 2 of the finals to preserve the series winning tie. Over the four game

SUNYAC Tournament, Erbsland stopped 114 of 122 shot (a .934 save percentage) including 53 of 55 shots against Fredonia. Cardinal defensemen Jason Desloover and Mike Bzdel also received SUNYAC All-Tournament team honors.

# Men's Indoor Track and Field

## LOPICCOLO, BURT COMPETE AT NCAA's

The men's indoor track and field team capped off the season with exceptional overall performances at the 1997 SUNYAC Indoor Track and Field championships and the 1997 ECAC Championships.

The Cardinals won five events at the SUNYAC's en route to a third place finish. Senior Jeremy Burt(Madison, NY) led the charge for men winning both the 1500 meters in a time of 3:55.83, which qualified him for the

NCAA Championships, and the 3000 meters in 8:56.50. Freshman Chris Verkey(Plattsburgh, NY) came from behind to capture the 400 meters, winning in 51.36, while Matt Lopiccolo(Norwich, NY) won the 800 meters (1:56.57). Freshman Corey Davidson(Cadyville, NY) added a first in the 500 meters (1:07.33) to give the Cardinals their fifth victory of the day.

At the ECAC's, the Cardinals set four school records and qualified two runners for the NCAA's.

Davidson gave his finest effort of the year at the ECAC's, capturing the 500 meters (1:06.40) to become the first member of the men's team to win a ECAC title in the 90's. Brian Grossweller (Bohemia, NY) also had one of his best meets brink the Plattsburgh Sate record in the 400m with a time of 50.52. He was also a member of the 4x400 relay team, with Dan Derkowski(Clifton Park,NY) Verkey and Lopiccolo, which shattered the old school mark by more than five seconds, finishing in 3:22.03. In addition to the relay, Lopiccolo had individual success at the ECAC's completing the 800m in a time of 1:53.49 to break the 11 year old Cardinal record and qualify for the NCAA Championships. Competing with the best runners in the nation at the NCAA's, Lopiccolo finished in 10th place (1:55.17).

The other Cardinal to qualify for the NCAA's was Burt. He raced to second in the 5,000 meters at the ECAC's with a time of 14:57.00, in the process breaking his own school record to qualify for the NCAA's. At the NCAA's, Burt placed 10th in the 5,000 meters (15:09.32) and 13th in the 1,500 meter(4:03.61).

# Women's Indoor Track and Field

The Plattsburgh State women's indoor track and field team culminated the 1996-97 with strong performances at the 1997 State University of New York Athletic Conference(SUNYAC) Championships and the 1997 Eastern College Athletic Conference(ECAC) Championships.

Freshman Stacy Goddeau(Peru,NY) closed out her rookie season in style, recording a toss of 34'4.25" in the shot put to finish in second place at the SUNYAC Indoor Track and Field Championships. The women's team finished sixth overall.

The 4x400 relay team of Amy Nutt(Champlain,NY), Isabelle Julien(Queensbury,NY), Denise Vales(Yorktown Heights,NY) and KT VanBoden(Cleveland,NY) led the Cardinals at the ECAC Indoor Track and Field Championships. The foursome set a Plattsburgh State record finishing in a time of 4:11.72.

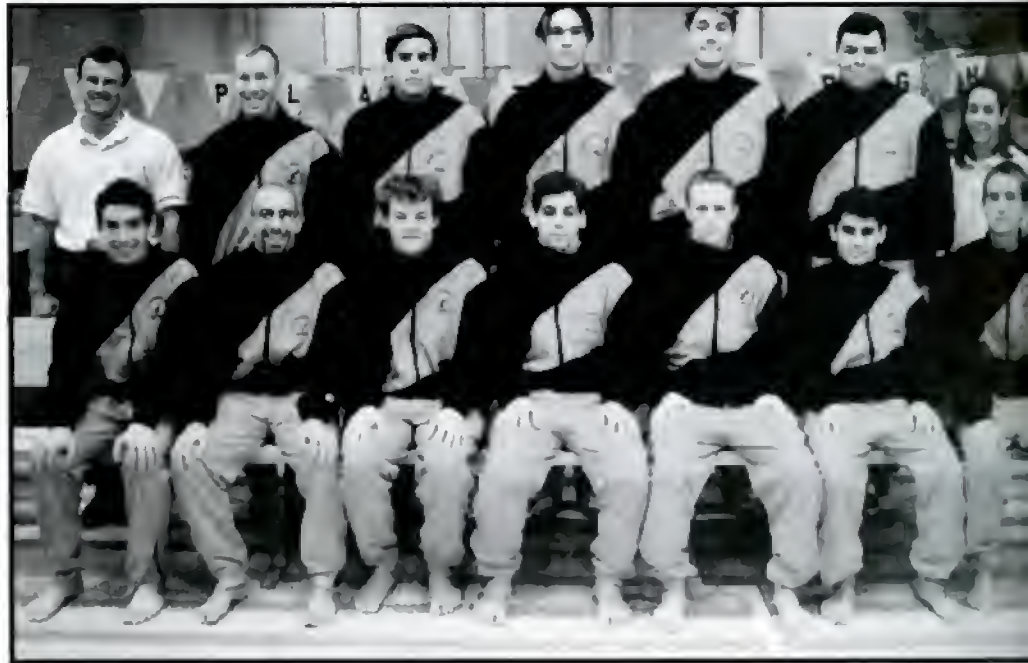

# Men's Swimming

## CARDINAL MEN'S SWIM TEAM SENDS NINE TO SUNYAC'S

The Plattsburgh State Men's Swim team finished up its season in mid-February when nine members of the team traveled to SUNY Cortland to compete in the State University of New York Athletic Conference(SUNYAC) swimming championships. As the team continues to grow under Farrell, the numbers of SUNYAC qualifiers continue to increase each year.

The regular season was highlighted by a new pool record here at Plattsburgh State's Memorial Hall pool by Matt Buneo in the 400 individual medley, as well as an increased number of swimmer qualifying for the championships.

The competition at SUNYAC's was highlighted by the men's 200-yd relay team made up of Bryan Thines(East Aurora,NY), Rich Furlong(Holland Patent,NY), Keith Kazmer(Schenectady,NY), and Dennis McMahon(Hopewell Jct., NY), who set a new school record with their time of 1:44.41. Another note-worthy performance was given by junior Chris Galli(Vestal,NY) when he set the new school record in the 500-yd. freestyle competition with a time of 5:02.06. The former record in the event was set in 1974. Galli now holds the school record in the 500, 1000, and 1650-yd freestyle distance events.

# Women's Swimming

## CARDINAL WOMEN'S SWIM TEAM BREAKS NINE SCHOOL RECORDS AT SUNYACS

For the second straight season in a row, the Plattsburgh State women's swim team has rewritten large portions of their record books. This year's outstanding season was highlighted by a first place finish in the North Country invitational at SUNY Potsdam in November, and the setting of a new pool record at Norwich in the 400 medley relay by team members Ann White (Rome Free Academy, Rome, NY), Amy Parry (West Hill, Syracuse, NY) Sue Starr (Avon, Avon, NY) and Danielle See (Avon, Avon NY).

The record breaking performances of the women were not unique to road trips. In the 200 butterfly, Starr set a new pool record in Memorial Hall on the Plattsburgh State campus with her 2:27.54 performance. The former record was set in 1983 by Maureen O'Brien with a time of 2:28.56.

The team traveled to Florida over semester break to train at the West Florida Aquatics Center, and continued the hard work and dedication throughout the year. A total of eleven new school records were established by the Cardinals during the 1996-97 season. The women remained unbeaten with an 8-0 record until the last meet of the season.

During the three day SUNYAC competition held at SUNY Cortland, the women broke a total of nine school records, and placed fifth of ten teams at the competition. Sue Starr and Beth Heybyrne rewrote times dating as far back as 1989. In the 500 free, Starr's time of 5:35.62 replaced Diedre Sweeney's 1989 record. In the 1650 free, Heybyrne's 19:15.05 performance replaced Sweeney's 1991 record.

# ALPHA EPSILON PHI

Alpha Epsilon Phi National Sorority began at Barnard College on October 24, 1909. Since that date, they have chartered over 85 chapters, both nationally and internationally. On May 1, 1988, the Phi Tau Chapter of Alpha Epsilon Phi was established at SUNY Plattsburgh.

Alpha Epsilon Phi, Nicknamed A-E-Phi, opens its doors to friendship, love and sisterhood by practicing tolerance and respect for all. They uphold the highest ideals of womanhood and strive to make the experiences of college women across the country as rewarding as they can be.

A-E-Phi's philanthropy is Cystic Fibrosis, but some of their other endeavors have included their annual "Jail and Bail" for the benefit of the Aids council. Alpha Epsilon Phi has been rewarded for it's hard work and commitment with the President's Cup and the Scholastic Cup, as well as awards for Outstanding Greek Organization and Highest GPA Award.

Their biggest emphasis lies with scholarship, academics and leadership, as many of their sisters are leaders on and around the campus community. Alpha Epsilon Phi's motto is Multa Corda, Una Causa.... Many Hearts, One Purpose.

**Nickname:** A-E-Phi

**Founded:** Oct. 24, 1909

**Chapter Name:** Phi Tau

**Date of Chapter at SUNY Plattsburgh:** May 1, 1988

**Symbol:** Giraffe

## Public Safety Investigated Hazing Charges

The sisters of the Alpha Kappa Phi Sorority (Agos) have been ordered to halt their current pledging program as Public Safety investigates alleged incidents involving hazing.

Prompted by letters from "concerned" faculty members, and reports of two anonymous phone calls made to the "Hazing Hotline" - an anonymous telephone line set up especially for those who suspect the possibility of hazing-the sorority was informed by the Office of Student Affairs to "cease and desist" any and all pledging activities until Public Safety completes its investigation.

Distraught members of Alpha Kappa Phi, who have not yet been given the opportunity to confront their "accusers", gathered to discuss the issue of the on-going charges and allegations being made.

President Kelly Begin said, "We emphatically deny any and all charges or allegations of hazing made against Alpha Kappa Phi and its members. This sorority, the first in Plattsburgh, strongly rooted in tradition has been serving the community for over 104 years."

With all the other sisters present, nodding in agreement, she added, "We have never been involved in or engaged in, or condoned any kind of activity, especially hazing, that goes against the values and virtues on which the sorority was founded."

Φ

Alpha Phi is a sisterhood founded on the principles of mutual support, respect, and dedication to the pursuit of the highest ideal of womanhood. We have been a cornerstone of tradition since 1872 when 10 courageous women banded together to become the 4th oldest & 4th largest women's fraternity in the nation, later becoming international with the addition of the XI Chapter, University of Toronto, Canada.

The Theta Psi Chapter takes great pride in our heritage from the local sorority, Alpha Phi Gamma, founded on Oct. 5, 1981, whose original intention was to later affiliate with Alpha Phi. Fifteen years later, the Gammas reached their goal with the granting of the Theta Psi Chapter on May 5, 1996. The early success of our chapter is credited to the strong foundation provided from 15 years of local sisterhood.

Our Sisterhood has earned recognition for the highest overall GPA for Greek Organizations, and the highest GPA for a new member education class, winning the scholastic cup this year. In addition, we took home 1st place prizes in Greek Week competitions and two 1st place prizes in the Homecoming Float Competitions along with Pi Kappa Phi.

We are proud of our various community service efforts, most notably in our philanthropy. The Alpha Phi Foundation, we raise money for the funding of Cardiac equipment and aid to transplant recipients. We are also actually involved all over campus and hold various leadership positions. We are Resident Assistants, Orientation Leaders, SA officers, Editors of the student newspaper and yearbook, and much more. Our sisters are members of the Dean's List, OΔK, ΨΧ, ΑΧΩ, ΚΔΠ, Order of Omega, and ΦΗΣ honor societies.

Despite a century of growth and change, Alpha Phi remains true to the original mission of its founders. The Theta Psi Chapter, along with all Alpha Phi's today, share the same proud traditions, the same collection of values, and the same timeless bonds of friendship that has remained unbroken since 1872.

E

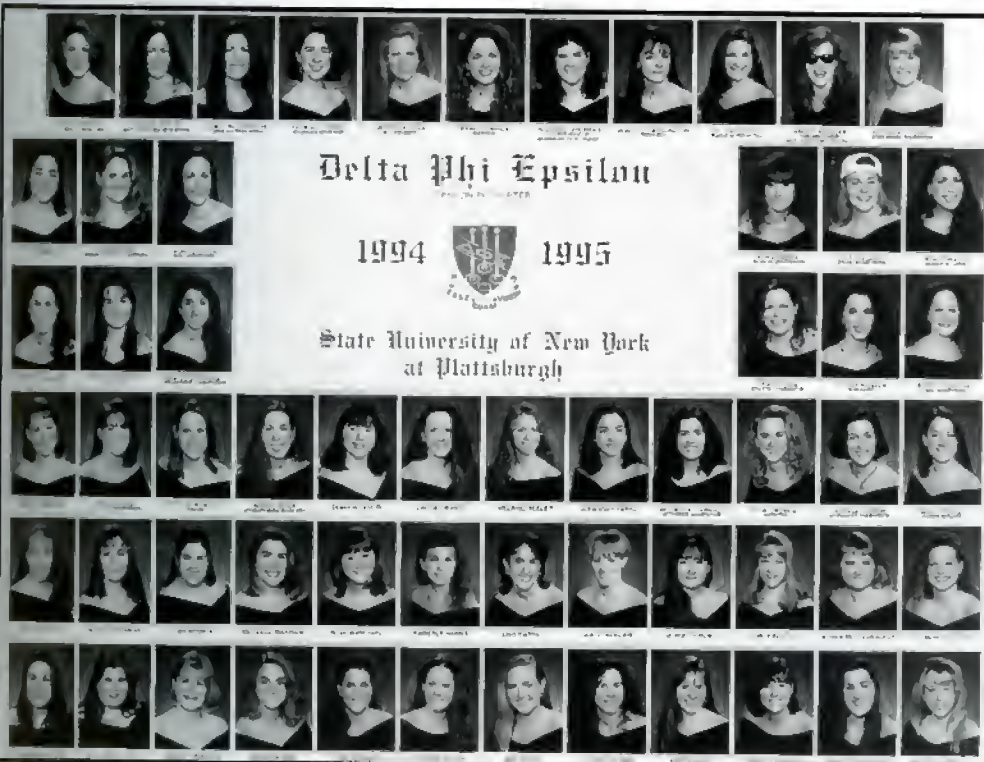

Delta Phi Epsilon, a national sorority, was founded on March 17, 1917 at New York University Law School by five women. The Epsilon Pi chapter at Plattsburgh was colonized on September 13, 1987 by twenty-two founding sisters. Since then we have proudly contributed to many community activities, expressing the spirit of sisterhood. Affectionately called D-Phi-E, we strive to become the best we can be in order to continue a reputable name for ourselves. We have chapters all over the nation as well as in Canada. Our Philanthropy is Cystic Fibrosis, but other community service projects have been for the benefit of Anorexia Nervosa and the D-Phi-E Scholarship Fund. We recently won an award from our national sorority for high academics and scholarship. Some of our sisters can be found around campus in the Student Association, as well as Greek Council.

**Nickname:** D-Phi-E

They are a group of forty-five women who are a close-knit family. They have fun together and help each other. They participate in many community and campus activities such as Open House, Intramurals, United Way fund raising activities, blood drives and food drives.

The Clonian Sorority originated as a literary society in Geneseo in 1872. The sorority has been on the Plattsburgh campus for thirty-four years. They are known as Clios. Clio is the Greek muse of history. Their colors are yellow and white, the colors of love.

Their sisterhood means a lot to them. They work together to make their sorority one of the most reputable on campus. They work towards meeting goals for their philanthropy, which is the AIDS Council. They take pride on their close bonds and everlasting loyalty. They welcome any women who would be interested in joining them and look forward to the opportunity to meet them.

# SIGMA DELTA TAU

Σ

Δ

T

Sigma Delta Tau is a national sorority that was colonized in 1917, at Cornell University. It was chartered on the Plattsburgh State campus in October 1991, by women with common interests and goals.

The women of Sigma Delta Tau take pride in being dedicated to the goals established at their founding. They strive to promote service, sisterhood, unity, friendship and leadership. They maintain high standards of excellence in the academic fields of study.

The national office of Sigma Delta Tau prides itself on the high academic standards and sponsors grants and educational loans through the National Foundation.

Their philanthropy is The National Committee for the Prevention of Child Abuse. Some recent awards that they have won include the Student Recognition Award for Service and Outstanding Service by a Greek Organization. They have been the sponsor for several service oriented programs, such as, Send Burghy to the Classroom, Bowl-a-thon, and the Rock-a-thon.

# PI ALPHA NU

P

A

N

Pi Alpha Nu, was founded in 1957 in Plattsburgh, thus making them the oldest fraternity on the Plattsburgh campus. Since then Pi Alpha Nu has expanded regionally. They now have several chapters in New York State and a chapter in England. Pi Alpha Nu became incorporated in 1993 as a non-profit organization.

**Nickname:** Knights  
**Founded:** 1957  
**Chapter Name:** Alpha  
**Mascot:** The Knight  
**Colors:** Black, Red, and Gold  
**Philanthropy:** Families Against Mandatory Minimum Sentencing (FAMM)

In the last few years, Pi Alpha Nu has devoted a great deal of time working with outside organizations. They have raised a great deal of money for Families Against Mandatory Minimum Sentencing (FAMM), as well as helping out the AIDS Council and the Alzheimer's Association. They have recently adopted Route 22 near the Air Force Base.

Pi Alpha Nu has recently gone through a reconstruction period in which they have grown and developed as an organization. Still with the same ideals as always, Pi Alpha Nu seeks the individual as they have always been made up of unique individuals with the common bond of brotherhood.

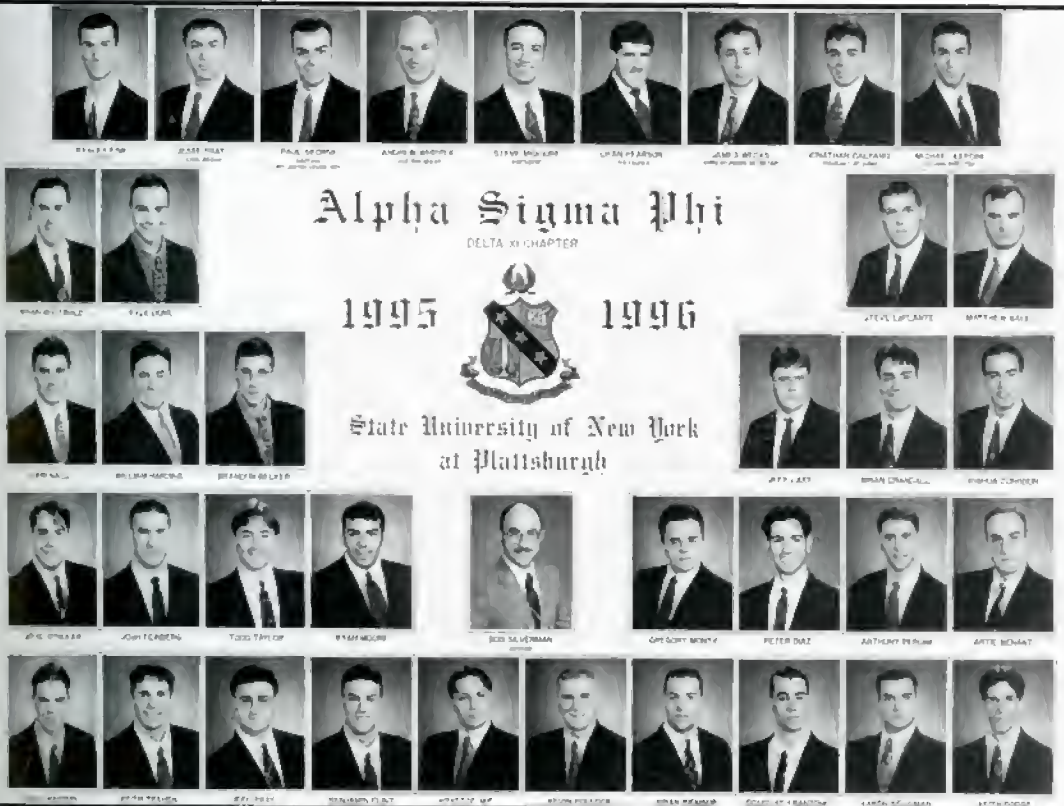

# ALPHA SIGMA PHI

**Nickname:** Alpha Sigs  
**Founded:** Yale, 1845  
**Chapter Name:** Delta Xi  
**Date of Chapter at SUNY Plattsburgh:** Mar. 26, 1988  
**Symbol:** Mystic Circle  
**Mascot:** Phoenix  
**Colors:** Cardinal Red and Stone Grey  
**Flowers:** Talisman Rose  
**Philanthropy:** Companionship for Canines  
**Open Motto:** Cause is hidden, results well known

Alpha Sigma Phi is a national fraternity that was founded at Yale University in 1845. It is the tenth oldest fraternity in the nation with over 40,000 active members and 250,000 alumni nationwide.

The fraternity first came to Plattsburgh in 1986 when a group of twenty-one men sought to make a difference in the existing Greek community on campus. The Delta Xi Chapter of Alpha Sigma Phi was officially chartered at SUNY Plattsburgh on March 26, 1988.

Alpha Sigma Phi was founded for the purpose of enhancing the individual both socially and academically - in short "to better the man." As brothers at SUNY Plattsburgh, they live up to this purpose. They have earned a great deal of respect from the students and faculty on campus and from the surrounding community.

# TAU KAPPA EPSILON

Tau Kappa Epsilon is an international fraternity. They are one of the largest social fraternities in North America.

Started in the Spring of 1988, TKE is one of the newer fraternities on the SUNY Plattsburgh campus. By being a member of TKE, you will develop leadership and professional skills in an environment of friends and brothers. TKE encourages academic achievement, the primary reason for attending college, as well as athletics, service and leadership.

**Nickname:** Teke  
**Founded:** April 10, 1899  
**Chapter Name:** Sigma Gamma  
**Date of Chapter at SUNY Plattsburgh:** Apr. 1 1989  
**Symbol:** Apollo  
**Colors:** Cherry Red and Gray  
**Flowers:** Red Carnation  
**Philanthropy:** Special Olympics  
**Open Motto:** Many Men As One Man

# NOT

Nu Theta Gamma was founded at Plattsburgh on December 10, 1986 as a chapter of the regional fraternity Theta Gamma. Other chapters exist at Delhi, Alfred, Oneonta, Canton and they have recently expanded into parts of Canada at Carlton and Ottawa Universities.

We take pride in our closeness to each other as well as in Theta Gamma traditions that extend back to 1912 when the first Theta Gamma Chapter was founded at Canton. We are also unique in the fact that we have great ties with our brothers at the other chapters as well as with our alumni. For us, brotherhood lasts well beyond the college years and stays with us for life.

The brothers of Nu Theta Gamma have been involved in many charitable activities in the past and currently their efforts benefit Camp Ta-Kum-Ta, which is for children with cancer.

Along with these fundraisers, we also are greatly involved in many service projects which better the campus and the community.

Another important aspect of college life is involvement in extracurricular activities, which is why along with social activities, many of our brothers are involved in the Student Government, and various clubs.

They have won the President's Cup in 1994 and are always competitive in Homecoming and Greek Olympic events.

# PSI EPSILON CHI

Ψ

E

X

Throughout their history, the brother of Psi Ep have always been very conscious of the community around them. Psi Epsilon Chi has a long series of community and college service activities of which they are proud of.

Their group is very active in the intramural program and participates in almost all intramural sports. Their current membership consist of over 250 men. During the 1970's, they were deeply committed to service. They were rewarded for this effort seven years in a row with the Presidents' Cup; the most prestigious award presented by the institution.

Presently, Psi Epsilon Chi is in rebuilding and transition phase and is looking for men who will strive to promote scholarship, leadership, service, and brotherhood in all that they do.

**Nickname:** Psi Ep

**Founded:** May 6, 1969

**Date of Chapter at  
SUNY Plattsburgh:** Apr. 16, 1971

**Symbol:** The Lion

**Colors:** Green and Yellow

# SIGMA PI

Sigma Pi is a national fraternity that was founded in 1897 at Vincennes University by William Raper Kennedy, James Thompson Kingsbury, George Martin Patterson, and Rolin Rosco James.

On November 30, 1984, their group was pinned as a colony of Sigma Pi Fraternity. It took their organization only one year to get its petition for a charter approved by the Sigma Pi National Fraternity.

The Zeta-Theta Chapter of Sigma Pi International Fraternity was chartered on January 26, 1985 as the 148th chapter. Sigma Pi is a brotherhood that advances Truth and Justice, promotes Scholarship, encourages Chivalry, diffuses Culture, and develops Character in the Service of God and Man.

Since their charter date, Sigma Pi has become one of the tightest Greek Organizations at SUNY Plattsburgh, symbolizing the true essence of Brotherhood.

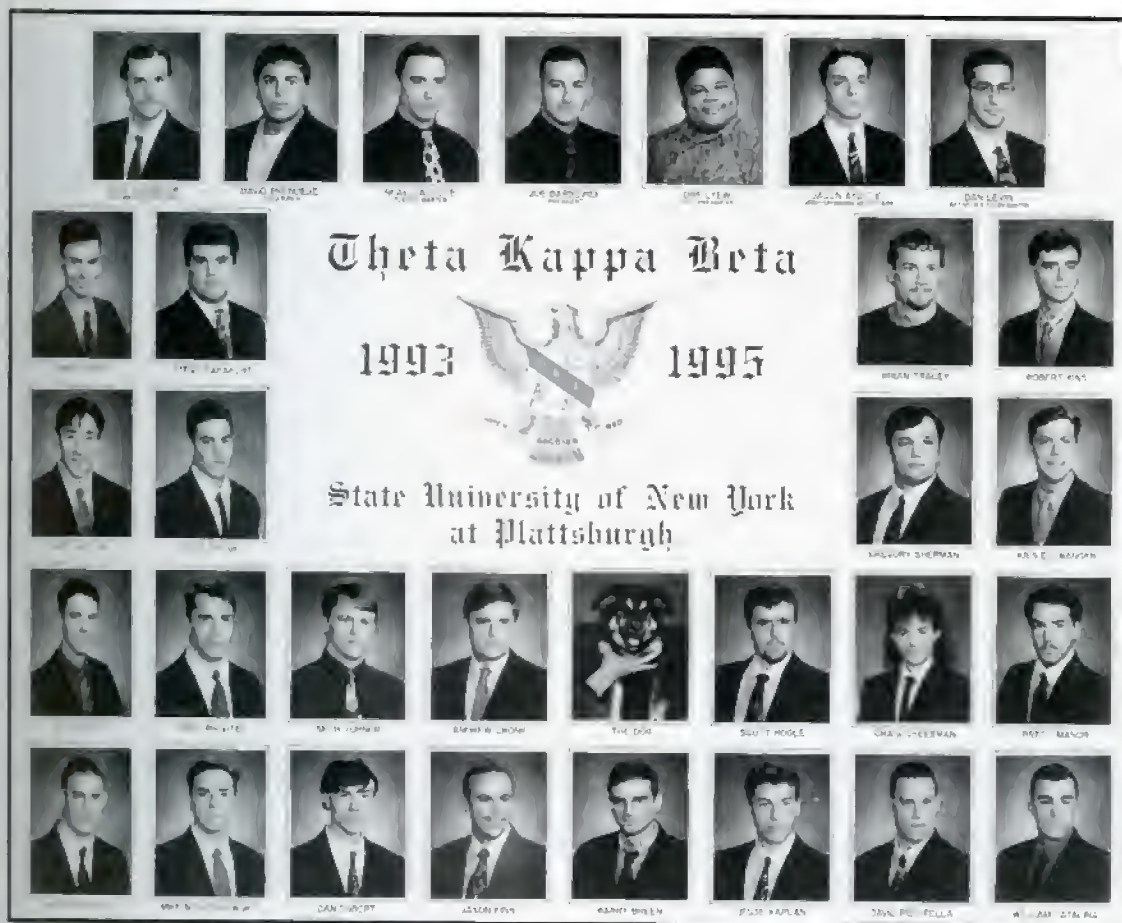

**Nickname:** Sig Pi's  
**Founded:** Vincennes U., 1897  
**Chapter Name:** Zeta Theta  
**Date of Chapter at SUNY Plattsburgh:** Jan. 26, 1985  
**Mascot:** The Shark

**Flowers:** The Lavendar Orchid  
**Philanthropy:** The Red Cross and Multiple Sclerosis  
**Open Motto:** I Believe

# THETA KAPPA BETA

In 1959, Theta Kappa Beta was formed by seven Korean War veterans. Missing the camaraderie shared and felt at war time, these men developed what has grown into one of the closest fraternities at SUNY Plattsburgh.

Theta Kappa Beta is comprised of many individuals from a wide variety of ethnic and cultural backgrounds. Beta is a very close knit group, maintaining the ideals of Love, Honor and Brotherhood.

**Nickname:** Beta  
**Founded:** 1959  
**Date of Chapter at SUNY Plattsburgh:** Fall, 1959  
**Symbol:** Eagle Crest  
**Colors:** Black and Silver  
**Flowers:** Golden Tea Rose  
**Philanthropy:** Anthony Santandrea Fund

# Π K Φ

Pi Kappa Phi is a national fraternity. They are currently the ninth largest fraternity in North America. They have over 66,000 alumni throughout the world.

Pi Kappa Phi was founded in 1904 at the college of Charleston, South Carolina. Three men, Andrew Alexander Kroeg, Jr., Simon Fogarty Jr., and L. Harry Mixson, furthered their bonds of friendship in the form of the Brotherhood of Pi Kappa Phi.

Ninety years later, Pi Kappa Phi is one of the fastest growing fraternities in America, with over 140 chapters and over 69,000 initiated brothers. With a strong belief in scholarship, leadership, diversity and service, Pi Kappa Phi offers Midyear Leadership conferences, a Supreme Chapter meeting, Pi Kapp College, and PUSH(People Understanding the Severely Handicapped)America.

Eta Kappa chapter was chartered at SUNY Plattsburgh on April 16, 1993. Eta Kappa marks the 178th charter extended to an undergraduate school. Eta Kappa has initiated over 92 brothers and has been awarded several honors including the Mayor's Service award and Vice President's Special Award for Service. Eta Kappa Brothers have also exhibited their leadership skills all over SUNY Plattsburgh's campus as Resident Assistants, in Student Government, the school's newspaper and radio station.

The advantages that come with being a Pi-Kapp include prestige, friendship, campus leadership, intramural sports and athletics, and brotherhood.

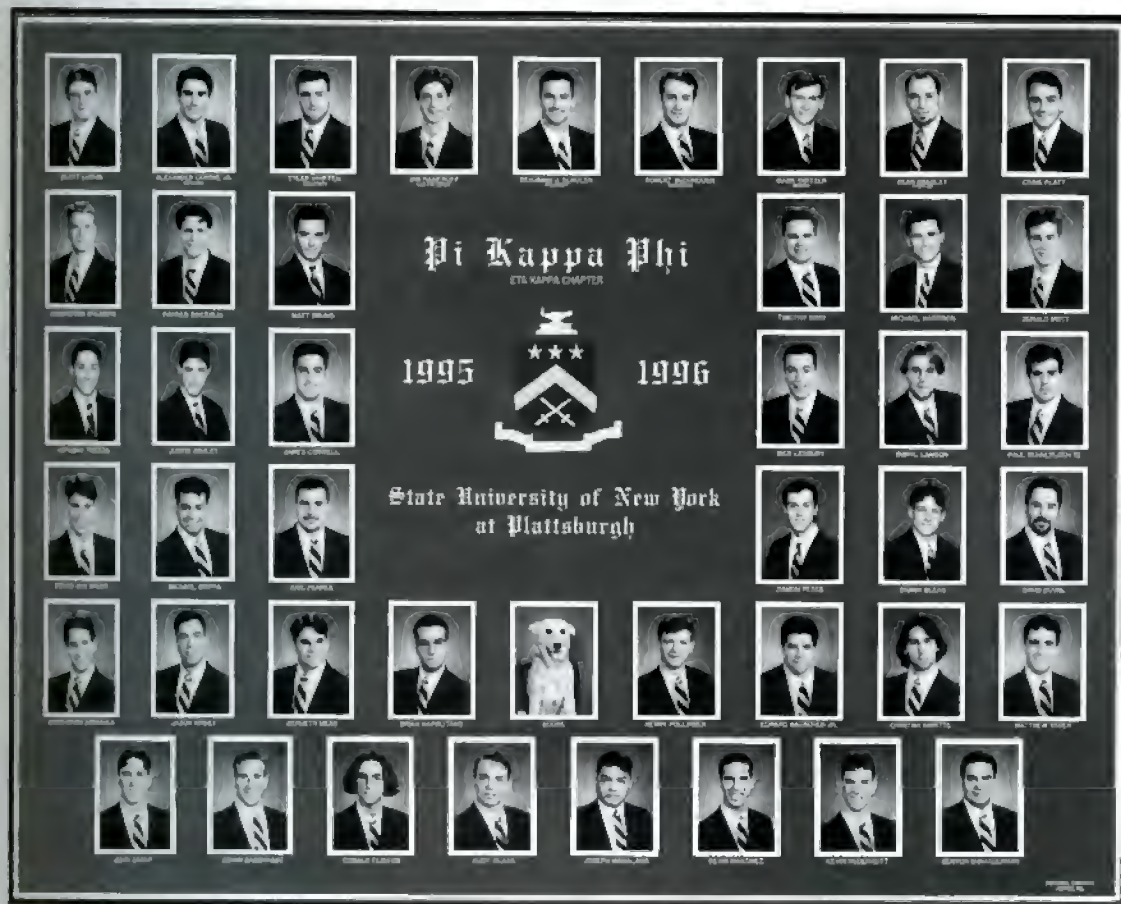

**Nickname:** Pi Kapp

# Wild Nites Downtown

Oh, yea baby! Did you say beer blast at Monopoles? I was gonna meet ya' there but I got glued on my bar stool at Chi Booms. Do you remember those wild nights downtown? What on earth were you thinking? Now you can never run for President of the United States.

Were you one of the walkers? You know the group of girl who walked downtown in tight little shirts and wet suit for jeans, with their arms folded over their chests. They never seemed to have cab fare or any clue that the Student Association sponsored a bus to take them downtown for free. Hey, maybe they were just enjoying the weather.

Once downtown you'd have to wonder if those people were the same people you saw in classes. Some people just can't act respectably after they've tossed down a few tequilas. All of a sudden all those people who usually look the other way when they see you on campus, greet you with theatrical enthusiasm when they see you downtown. They yell out your first, middle and last name and wrap their loving arms around you. You're just puzzled they even knew your first name.

Other people were pretty cool, while hanging out on the dance floor: content with playing foos ball, pool, and darts as a warm up in preparation for later in the night. After midnight things seemed to get hot. The dance floor was filled with bodies moving in and out of spilled beer and cigarette smoke. Everyone seemed to be laughing and talking at the same time; their faces all lit up like one of the neon signs outside of Woodstock's.

After hours meant you'd hit Pizza Bono's for a slice. Alcohol makes you hungry, huh? Then you had to make a decision, would you go to after hours or head back home? As you stood on Margaret street waiting for the "drunk bus" or a cab you'd see groups of people helping each other home. Or a newly found couple heading back to do a dance number of their own.

The downtown thing was always a blast. Your night was always special when the bartender seemed to see your \$5 bill first. And your friends smiling and being silly topped everything off like a cherry in a tall glass of Manhattan.

# College Center Madness

During the week, the Angel College Center is like downtown on the weekends. This is where all the activity is. This is where most information pertaining to campus activities can be found and where much of the action is. Located in the Center is the College Center Desk. Anyone can call here and find out virtually any on-campus number. This is where tickets to plays, sporting events, campus-sponsored movies, can be bought, and where movie rentals can be found now. Newspapers and stamps are also sold here. There is also a wealth of information in the form of fliers, booklets, and pamphlets at the College Center Desk. Many activities take place in the Center as well. Monday-Friday there is bound to be groups and organizations tabling. This takes place at lunch time. Members of these groups set up a table to either provide information about their organization, or to hold fundraisers for the group, such as selling carnations for Valentine's Day or having food drives.

Lunch time is an incredibly busy time in the College Center. The Sundowner is a popular

place to eat. This is evident by the long lines around noon. Much more also goes on in the College Center. For an inexpensive activity there is a video arcade with air hockey tables and a pool hall upstairs. The Learning Center is located in the Angel Center as well. Students can go here to receive free tutoring help in various subjects, or to meet with class groups in a place where you don't have to be quiet like the library. The Warren Ballroom upstairs is used for different occasions. Sometimes a speaker will

give a presentation, or a band will perform, or sometimes it is used for academic functions when a large room is needed. There are also numerous other meeting and conference rooms, some of which student organizations make use of for thier meetings. Whatever campus information you need, it can usually be found in the Angel College Center. This is a place on the SUNY Plattsburgh campus that is always bustling with enthusiasm and spirt.

-Sherri Sanpedro

# Alternative Spring Break

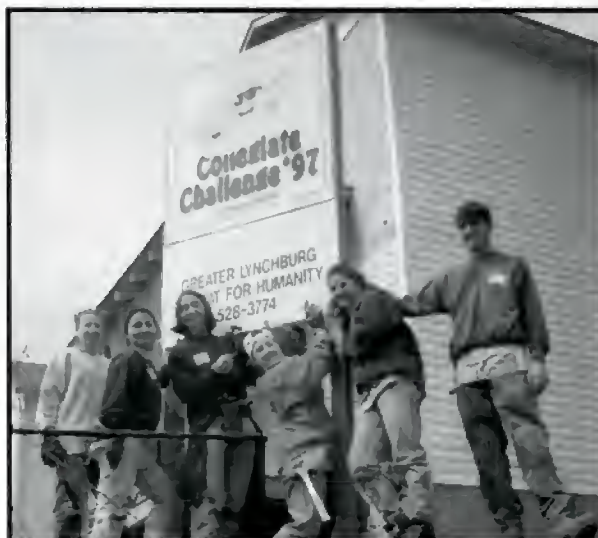

Seventy-seven students and staff from Plattsburgh State University of New York took up hammers and ladles instead of bathing suits and towels as they participated in Alternative Spring Break.

The annual event, coordinated by Bryan Hartman of the Office of Campus Life, has attracted a record number of students who are deployed to a number of project sites during the March 13-23 break.

"The biggest thing is we had seven sites this year. Two years ago we had five. Originally we had planned to have six this year, but the response from interested students was overwhelming, so we decided to add an additional site," said Hartman.

"We had six vans supplied by the college," he said. "With our own funds we rented a 7th van so I wouldn't have to cut as many people. As it is we had to cut 14. Every year we've seen an increase in interest."

As a result, 73 students and 4 non-students headed out to sites in West Virginia, Maryland, Virginia, and Tennessee. They helped in homeless shelters and soup kitchens, built homes for Habitat for Humanity and worked on substandard pre-existing homes putting in such basic needs as indoor plumbing.

All photos courtesy Alternate Spring Break Program

# Spring Break

So, where did you go for Spring Break? If you were like most Plattsburgh State students, the closest you got to a beach was while watching Baywatch. But not everyone spent the week of March 13-23 getting reacquainted with their couch. Party goers like Virginia Iaquinta, soaked up the sun at Daytona Beach.

Daytona Beach in Florida is one of the most popular place for college students during Spring Break. For those near the eastern seaboard, Daytona offers a cheap nearby paradise for eight days and seven nights. According to

Virginia and her friends, Daytona was burning with spring break fever. They enjoyed daily pool parties and sun bathing at the beach during the day, and rocked the night at several clubs in the area. When they grew tired of a smiling sun and sparkling ocean, adventure lay nearby in the form of sky coasting: bungee jumping upside

down. The less adventurous spent time with Minnie and Mickey at Disney World.

While Florida will always be a Spring Break haven, other Burghy students flew all the way to Greece, cruised the Caribbean, or landed in Mexico: where the sun boils and the food tingles. According to Andrea Rockelburgh, "Cancun is a spicy heaven". She spent her days snorkeling and touring the Mayan ruins such as Tobasco and Chicken-Itza. "It was a breathtaking experience. Just walking up the steps of those pyramids left me in awe of that magical civilization" she claimed.

I don't know if you would call Mardi Gras magical, but according to Anna Lipking it certainly was entertaining. She danced her way down Bourbon Street and acquired many beads. She also had a romantic tour of the Bayou and got to visit some of Louisiana's renowned mansions.

Spring Break '97 or bust..... as it was for some of us who munched on Mom's pot roast in our living rooms, instead of shrimp gumbo in the French Quarter or a nice tan in the Florida sun.

# On - Campus Cardinals

You will never forget what it was like living on campus. You had to share a small room for a whole year with a complete stranger, unless you were one of the lucky ones whose roommate either moved out, or you got the greatest roommate a person could have hoped for. You will never forget the noisy floors, and someone always using the washing machine when you needed it. The gathering, which always took place in the lounges on Friday nights, just you and a few good friends talking for hours. The smell of vending machine popcorn. The fire alarm that sent your heart racing, and as you pulled on some clothes, you pondered which idiot

burnt their popcorn in the microwave. You can not forget the 25 channels we get on our dorm TV, which is a far cry from the 101 channels you are accustomed to at home.

How can you forget the do's and don'ts of resident life, and our student conduct manuals? It is impossible to forget our phone system in which you have to dial a billion numbers just to get in touch with someone. How can you forget at 10 o'clock it's lock down, so you had to remember your security codes. Remember how each semester you vowed to move off campus, and each year you were still stuck on campus. Remember the times you and your pals went to the Sunday night movies in Hawkins Hall. Well, it is all over now, you are free, no more on campus living for you. But, tell the truth, you are going to miss it here at Plattsburgh. It might not be the food, or the small rooms, or the midnight fire alarms you are going to miss. It's your friends, the ones who you ate your meals with. The ones who always came over to visit you in your small room, and the ones who stood outside in the freezing cold with you, during the midnight fire alarms.

-Trecia Moodie

# Off - Campus Cardinals

When thinking about off campus life the first things that probably came to mind were freedom, parties, and good food. Well it was not all like that. Freedom and independence were the first things people thought about when they signed leases for off-campus apartments, but once they moved in they found out it wasn't all that it was

cracked up to be. There is this person called a landlord. If you got the wrong landlord your off-campus experience could be horrible. These landlords would take whatever they could get

from you, and they would procrastinate for as long as possible when something needed to be fixed. Oh, and don't even consider getting your security deposit

back at the end of the year. Even if you did not damage the apartment they would find something to fix using your money.

There's comfort though,

in knowing you could have parties without Resident Assistants or Resident Directors knocking on the door waiting to serve you with judicial charges.

However, when one took the situation into consideration, judicial charges sounded much more appealing than a \$250 fine, for noise ordinance as a first offense. The city police swarmed the streets hunting for house parties. Once they got a single phone call from a disturbed neighbor, you could kiss your party and money good-bye.

While living off campus finding the time to cook a five star meal could be quite a challenge. Not everyone knew how to cook well and all of a sudden campus dining seemed extravagant. The same dining services you loathed when you lived on campus smelled and looked like the most appealing food in the world. The convenience of having your meals prepared for you and no dishes to wash afterwards are nothing but dreams to off campus students.

With all considered more or less it was worth it. The freedom was a luxury that boosted your college life and motivated you to do the craziest things.

# Black Crowes

On October 22nd the Student Association was able to present *The Black Crowes* with special guests *God Street Wine*. The concert was held at the feildhouse, for a \$10 admission fee. Shortly after 8pm, *God Street Wine* took the stage putting the crowd in the right groove for the Crowes. The stage was set up as a monastery with astrological signs bordering the outside of the stage. As the Crowes took the stage, the feildhouse filled with smoke and screams from the excited students. They jammed tunes from their new album entitled, "Three Snakes and One Charm"; playing songs such as, "Up on a Mountain", "Good Friday" and the popular "Jealous Again". *The Black Crowes* left SUNY Plattsburgh high in spirit and in bliss.

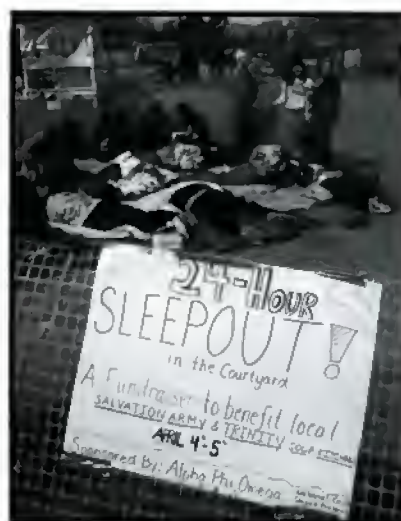

-Dennis Horton & Jennifer Martin

# Sleepout

## Alpha Phi Omega

On Friday, April 4, at 5:30 p.m., people who were on their way to the Angell College Center witnessed something out of the ordinary in the Amitie Plaza; students were setting up cardboard boxes as a source of shelter for the 24 hour sleepout.

The 24-hour sleepout was sponsored by Alpha Phi Omega. At the end, they raised a total of \$650. The money raised was donated to the Salvation Army and the Trinity Soup Kitchen.

Alpha Phi Omega used cardboard boxes as shelter for the thirty people that participated in this event to get a sense of what it is like to be homeless. "I found the concept of them sleeping in the cardboard boxes to be original for a sleepout," Kathleen White stated.

The weather for such an event was perfect. The members of Alpha Phi Omega were able to play frisbee, board games, and different instruments. "The only time the weather became uncomfortable was at night when the temperatures dropped, and the reality of sleeping in a cardboard box with a sleeping bag hit us," said Tracy Thomas, co-chair of the sleepout.

The 24 hours sleepout ended Saturday, April 5 at 5:30 p.m. This fund-raiser was so successful that the organization decided that they will do it again next semester.

-Colleen P. Briscoe

# The Fabulous Fashion of

# Culture

# Campus Gets Beauty

## BEFORE

"Everyone on campus, from the staff and faculty to the students, have been very helpful and understanding even during the demolition phase of the project," said Jeff Ratliff. Ratliff is the project manager for Roger Kennedy General Contractors, the firm overseeing the \$3 million rehabilitation of the elevated walkway.

The railing and remaining paver blocks are being installed along the renovated walkway which connects Myers Fine Arts Building, Feinberg Library, Yokum Communication/Lecture Hall, Angell College Center and the Kehoe Administration Building.

Work on the circular seating area moves ahead. Additional concrete was

Vonetta F. A. Williams

Vonetta F. A. Williams

Eric S. Mod

Eric S. Mod

# Make-Over

## AFTER

poured followed by the installation of paving block. A large granite rock from a local quarry, which holds a time capsule, was placed in the middle of the seating area.

The lower level of the Podium should be finished by November. Three handicap parking areas and service access will be available when completed.

In January, students should have access via the Podium to all academic buildings except to Hudson Hall. Ratliff said the walking bridge over Broad Street will not open until late spring, 1997. Four support columns closest to the street and holding up the pedestrian bridge need to be replaced.

Morton Kellas, project site representative for the Construction Fund, said the project is moving ahead of schedule. "The completion date is set for November, 1997. But if everything goes according to plan, the project could be completed before next year's fall semester.

Everyone will be happy when the beauty of our campus is once again restored. Though graduating Seniors probably won't be visual witnesses.

- Keith Tyo

# Students Fired Up About Budget Cuts

The new budget is on the desk for the State Universities of New York. All SUNY schools will be affected by the proposed budget. The students of Plattsburgh should be concerned with what the governor and state government have in store for next year. The 1997-98 Executive Budget has called for a \$64 million budget cut for SUNY. This also includes a mandate tuition increase of \$400.

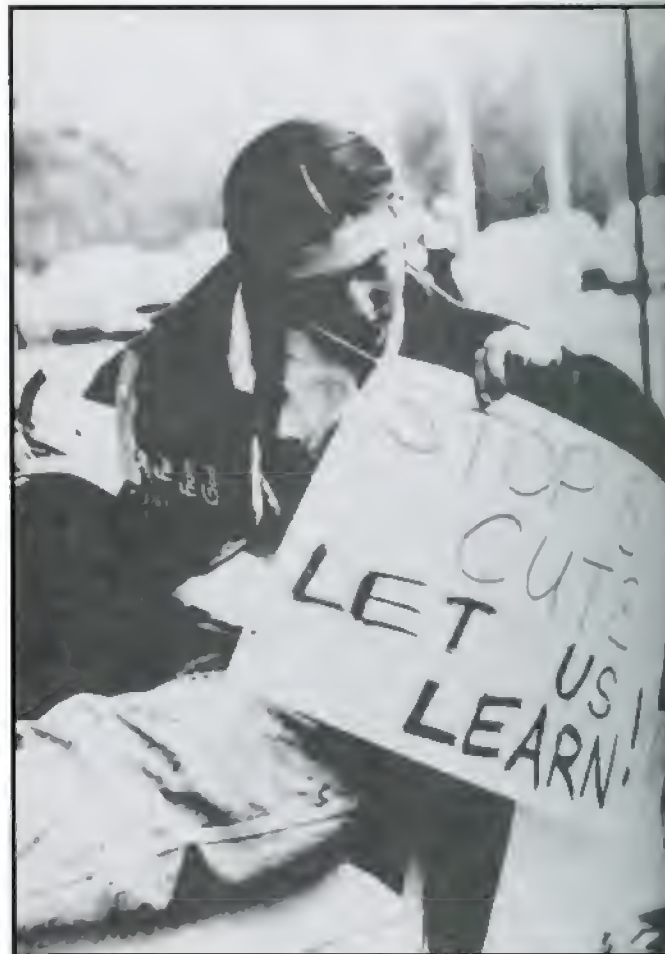

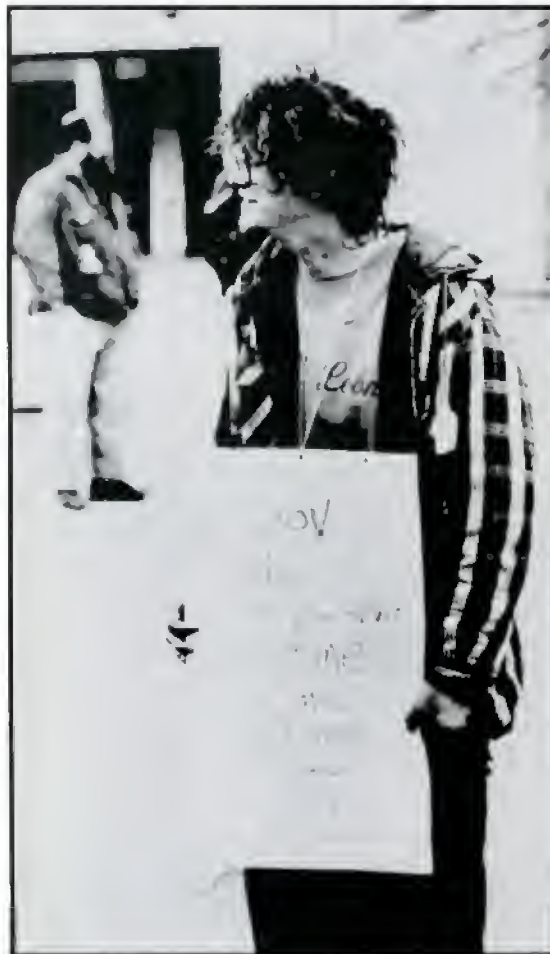

Financial aid programs such as tuition assistance (TAP) will be affected by severe cuts. President Horace Judson said, "Our position here at Plattsburgh is that it is critical that we have at a minimum steady state budget. We need that kind of stability, and we don't believe at this point students can stand a significant tuition increase of \$400." If the new budget proposed had no tuition hike, the budget cut for SUNY would total \$124 million. Plattsburgh would have a loss of \$2.5 million.

Money is not the only thing that will be cut ;80-85 position could be eliminated. For students, this could mean a decrease in classes and an increase in class size. The tuition increase will make the cost of tuition for the 1997-98 school year \$3,800. "Are we getting anything extra for the \$400 increase? No, only cut backs. We should be getting more teachers, more programs, ect. from the increase in tuition," replied LeSean Redmond, president of central affairs. This is an eleven percent jump in tuition from the past year. If this proposal is passed, in seven years, Plattsburgh's tuition will increase 181 percent.

Many students at Plattsburgh receive financial aid to assist them in paying tuition, such as TAP. The 1997-98 Executive Budget is called for severe cuts in TAP, which is disturbing news for TAP recipients.

Jen Coffey, a concerned student, commented, "I think a lot of student like myself who are putting themselves are not going to be able to come back."

If all the proposals of the budget are passed, Plattsburgh student will lose \$934,210 in TAP assistance. For the 2,108 TAP recipients here, that is not something to look forward to. For the 500 students that are TAP recipients and receive award in between \$2,800 and \$3,085, they will suffer a dramatic decrease in TAP awards.

# Craft Fair

May means Craft Fair time. The Field House is the location for vendors to sell everything from hand made dolls to -well- just about everything. Many students and residents from the Plattsburgh community came out to spend a little money, or just toadmire the crafty creations . The event was a tension reliever for students who would be soon facing finals week. The crafts were unique and genuinely interesting: they brightened the field house and people alike.

-Vonetta FA Williams

# Earth Day Fest

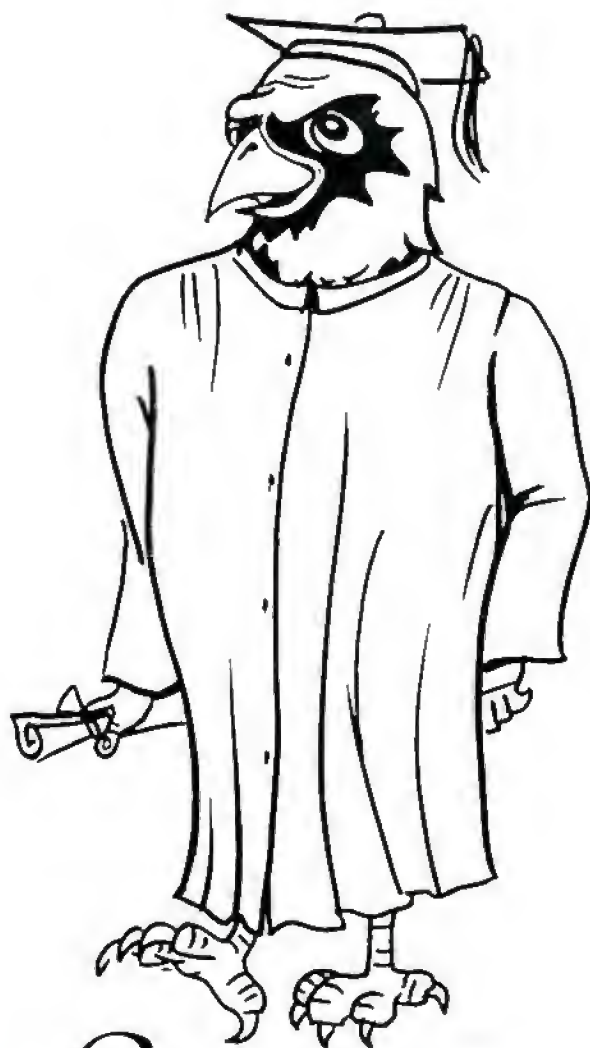

Earth Day Fest. The Environmental Action Committee sponsored the Earth Day event held in late May.

Because this is a busy time of year for students -- who are pre-occupied with finals -- the huge turn out was a wonderful surprise. Many students came to show their support of the Earth Day Event. A band came to jazz up the events. Marriott provided the veggie burgers and hot dogs. Members of the Environmental Action Committee also had posters and information packets available. They also sold recyclable cups and gave away pins. The weather was perfect for such an event. Everyone sat soaking up the sun and listening to the great lyrics of the band.

# Epilogue

# The Year In Review The Year In Review

An R&B pop singer named Toni Braxton hit the charts about three years ago and hasn't left. Her latest hit album, "Secrets", blends her rich, smooth voice with a versatility that continues to grow with each new hit. "Secrets" has the firepower to carry Toni to the top.

# The Year In Review The Year In Review

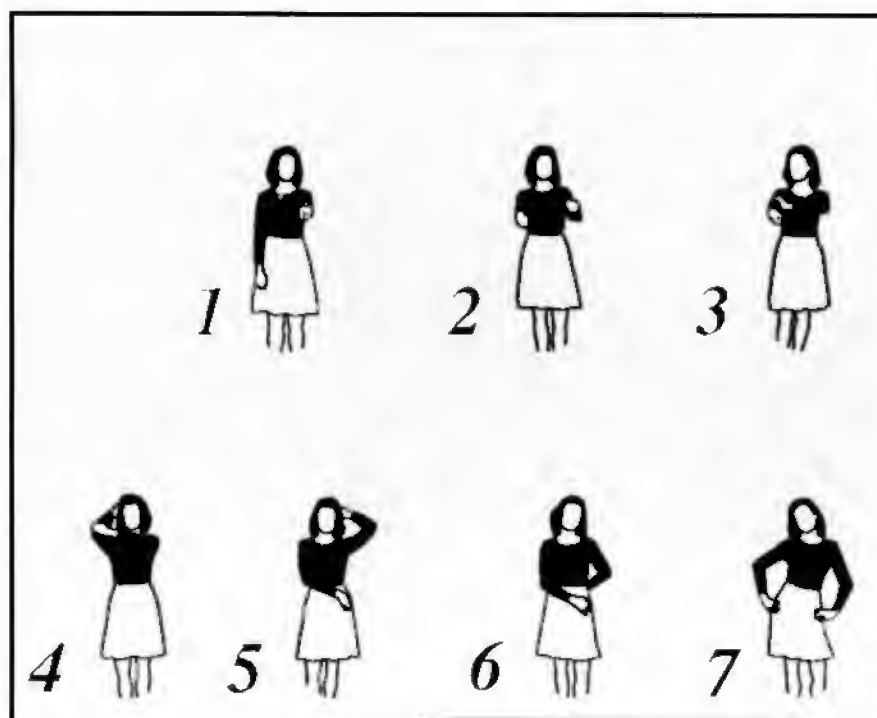

Celine Dion had the impossible good fortune of taking two movie songs—"Beauty and the Beast" and "Because You Loved Me" (from *Up Close and Personal*) to the top of the charts. The Canadian performer has a dynamic voice that raises even the most modest material to a level of loveliness. Her latest release, "Falling Into You" was a runaway hit.

# The Year In Review The Year In Review

Alanis Morissette has talent that seems to know no limit. Her debut album, "Jagged Little Pill," attracted considerable attention thanks to the hit single "You Oughta Know," a fiery, graphic rant at a former boyfriend. Morissette delivers the deeply personal lyrics with a dramatic voice and a dynamic rhythm. As one critic put it: "She lashes out at her targets with a fury that makes her music both invigorating and frightening."

The Macarena hit all the charts — from Latin to Pop — and enlivened dance floors all over the world. The song was first released three years ago and it became a big hit in Spain. Then someone had the bright idea to market the song internationally. Numerous Macarena versions have added variations to the basic moves of the dance, which requires a 360-degree turn to be completed in four jumps to the right.

# The Year In Review The Year In Review

Tracy Chapman was back on the charts with her latest album "New Beginning." As one critic wrote: "One thing Tracy Chapman has inevitable gained over the years is polish. This new album is simply and impeccable orchestrated, tightly and urbanely played. The songs are adorned with soft jazz accoutrements."

# The Year In Review The Year In Review

President Bill Clinton and Vice President Al Gore maintained a strong and consistent lead in the polls during their campaign for four more years in the White House. The Democratic team campaigned on a "four more years" platform that featured a strong economy and a lower crime rate. During his first term, Clinton formed a very close partnership with Gore, who served as confidant and adviser.

A deadly explosion disrupted the Olympic Games. Just as the Games were turning Atlanta into a giddy metropolis overflowing with tourists, a black-powered bomb packed with nails exploded in the crowded Centennial Olympic Park. One person died instantly and another died of a heart attack. More than 100 people were injured and nobody was charged with the crime.

Months after TWA Flight 800 exploded in midair in the summer of 1996, investigators were still searching for a cause. The Boeing 747 jumbo jet plunged into the Atlantic Ocean off the coast of Long Island, N.Y., just minutes after taking off from Kennedy Airport for Paris. All 230 people on board were killed. The theories ranged from a mechanical failure to a bomb, from a exploded fuel tank to a missile.

Violence resumes in the Middle East.

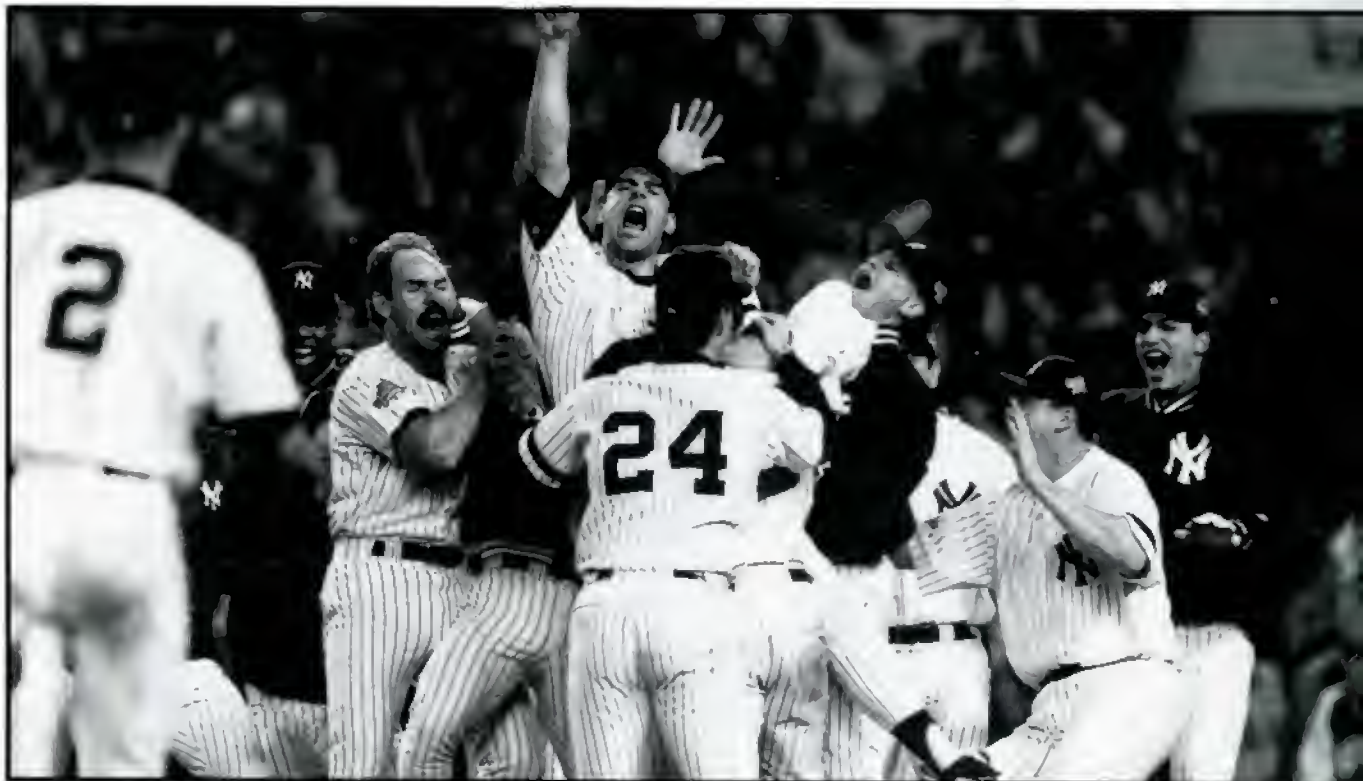

# The Year In Review The Year In Review

The seven members of the U.S. women's gymnastic team won the unlikely of the gold medals in the unlikely of fashions. Team member Kerri Strug made the clinching vault on a bad ankle, and became an Olympic heroine the instant she landed. Her coach, Bela Karolyi, carried her to the stand to be awarded the medal.

The New York Yankees stunned the Atlanta Braves and the baseball world with a dramatic come from behind win in the 1996 World Series. Down two games to one, the Bronx Bombers came back to take the series in six games.

# The Year In Review The Year In Review

The Green Bay Packers defeated the New England patriots 35-21 to win Super Bowl XXXI.

Olympic gold medal winner Michael Johnson has what track coaches call speed endurance — the ability to carry top speed. He proved he had endurance-plus. Johnson won an unprecedented double win in the Summer Olympics in Atlanta. He won the 200, but a case of food poisoning weakened him and he failed to qualify for the final.

# The Year In Review The Year In Review

Shannon Lucid is a new record holder. The 53-year-old shuttle astronaut veteran set the women's record for the consecutive days in orbit—188—beating Russian cosmonaut Elena Kondakova. She also amassed 223 day in orbit since 1995, making her America's most experienced astronaut.

## The Year In Review

Three years ago Jewel was a fledgling singer-songwriter living on carrots and peanut butter sandwiches. Now, the 22-year-old performer from Alaska is a smashing success. her debut album of bittersweet folk songs, "Pieces of you," just went platinum. Jewel sings many of the songs on the album in a crystalline voice while playing her acoustic guitar.

Three years ago Dave Matthews — a South African who settled in Virginia as a teenager — together a quintet that became one of the biggest draws on the concert circuit. The Dave Matthews Band brought funk into the mainstream, as one critic said. And non-traditional instruments, such as the violin and the sax, expanded the band's sound and universal appeal.

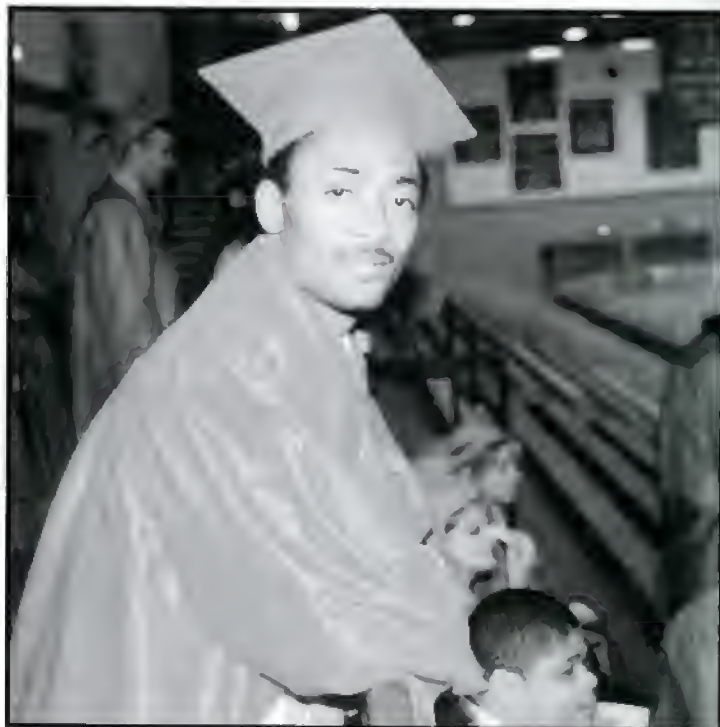

# Personal Dedications To Graduates

*Congratulations Stephanie Hurley,  
Your college years have gone by fast, and what a fine  
lady you have become. You set high goals and were  
able to achieve them. We are so proud of you, and  
wish you happiness and success as you cross  
the bridge to independence.  
Love, Your family.*

*Kristen Cotnoir,  
We want you to know how happy we are with the  
woman you have become. Be proud of your  
achievements and follow your own dream.  
Love, Mr. & Mrs. Cotnoir*

*Ben Perclmuter,  
Congratulations on your graduation from college!  
You are a terrific person, always filled with life and  
spirit. You continue to make us proud.  
Love, Mom and Dad*

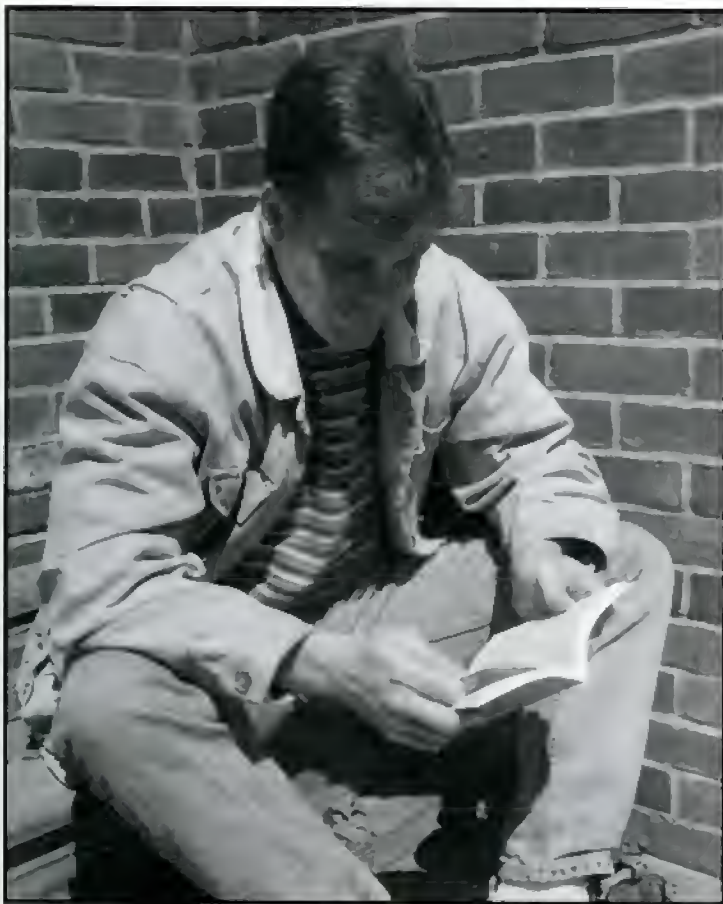

*Dear Debbie,  
We just want you to know we are very proud of your  
hard work and your outstanding success throughout  
your four years of your college education. We wish  
you much success, health, and happiness and may  
all your dreams come true!  
All our love always, Mom, John,  
Darlene and Danielle*

*Princess Nerlande,  
My Creole warrior. You fight fierce and hard  
against all the misfortunes of the world and  
harshness of life itself. I think your smile might be  
the source of your power and your pure good nature  
the power behind the woman. Your mother and  
grandmother smile down on your life. Just  
remember its okay to cry sometimes, okay to fail  
sometimes, okay to hurt sometimes. Life is like this.  
But then it blossoms into laughter. Live on woman.  
You've only just begun.  
Love Forever and a Day, Poet*

*Heidi,  
We are proud of you. Congratulations on all that  
you have accomplished. We hope that you go on  
and achieve your goal  
We love you, Dad & Mom*

Alfred P. Greenwald,  
 Congratulations on your excellent academic  
 achievements. Good luck in all you do.

Love,  
 Vonetta

Kerrie Rae,  
 Congratulations # 1 you did it!! We're so proud of  
 you and all you have accomplished. We love you.

Love, Mom & Dad

Amy Morrison,  
 "You light up my life." Congratulations on all your  
 accomplishments. We wish you the best.

Love,  
 Mom, Ed, & Alan

Steven Gagnon,  
 You have made us very proud. We wish you the very  
 best in the future.

All our love,  
 Paul, Debbie & Grandma

Karie Lindenman,  
 Way to go, Karie Lindenman! we're so proud of you!  
 With much love, Mom & Dad

Brian Stumpf,  
 You're an awesome guy; the sweetest and most  
 gentleman like I've met in a long time. Senate, RA,  
 and being your friend was great. I wish you much  
 success, happiness, and love.

Love, Vonetta

April,  
 We are very proud of the fine person you are. Your  
 goal- four years Accountant, Yes! Now the hard  
 part begins.  
 Congratulations.

Richard Mark Ledbury (Aka Rick),  
 Congratulations on your graduation. Roses are red,  
 Violets are blue. Your Mom & Dad are  
 proud of you.

Love, Mom & Dad

Dear Jeff,  
 You are now a graduate for which we are very  
 proud. Now get a job and go to work.  
 Love, Mom & Dad

Jennifer Hayes,  
There is a whole new world waiting for you. Hope  
your dreams come true, a lifetime of happiness! No  
stopping you now Jennifer, reach for the stars  
(Pop-pop).  
Love, Terry & Dad

Hi C. L.,  
Your hard work and persistence will soon be  
rewarded. We know the road has been long and  
sometimes a little bumpy, but we were always sure  
your goal would become reality. In the past you  
were a great kid, now a fine young woman, and soon  
to a wonderful teacher.  
Congratulations- you earned it!  
Love and kisses,  
Mom, Dad, & Matt

Vicki Messler,  
Mom, Kerrie and I are all proud of your wonderful  
accomplishments. Brighten the world with your  
great talent.  
We love You....

Karen,  
Congratulations on your graduation! How awesome  
to also experience studying abroad! We wish you a  
future filled with love, happiness and success.  
Love, Mom & Dad

Lisa Fisher,  
We congratulate you and wish you a successful  
personal life and career. We are proud of you.  
Love, Mom, Dad,  
Kurk, Cliff & Family

Dear Michelle,  
Congratulations, we are very proud of you. We  
wish you love, happiness, health, and success.  
All our love,  
Mom, Dad, & Jessica

Dear Patricia McElherron,  
Congratulations! May your future be filled with  
happiness and success. Good luck in your teaching  
career.  
We Love you,  
Mom, Dad, & Jen

Dear Tammy Lyn,  
We would like to say again how proud we are of you  
and how much we love you. You've always been an  
exceptional person even before your graduation from  
college, and we haven't been the only ones to  
appreciate you. In junior high school, you worked  
hard in Girl Scouts to earn the Marion Award, the  
highest national Catholic award given to girls,  
presented to you by the Most Rev. Howard  
Hubbard. At your high school graduation, out of  
more than 70 students, your teachers chose to give  
you the Sara Barnhart Award, for tact,  
dependability, responsibility and capability. Then  
when it came to choose a profession, you chose a  
giving, loving, sharing, and demanding career,  
nursing.  
Love always,  
Pat & Dad,

To Sharon Forman,  
Congratulations, we are so proud of you.  
All our love,  
Mom, Dad, Stuart, & Robin

Dear Patti,

Congratulations! May the future bring you happiness and success. Good luck in your teaching career.

We love you,  
Mom, Dad & Jen

KIM L. GRABINA,

You kept us proud in everything you have accomplished and we wish you much luck and happiness always.

Love, Mom, Dad, Staci  
Thumper, Dakota

Brian Krawiecki,

We are so proud of your accomplishments at Plattsburgh. We wish you a healthy, happy and successful future.

We love you!  
Mom, Dad, & Kevin

Carolyn Ebert,

You have accomplished all that you set out to do and have taken advantage of the whole college experience. We are PROUD! You have made yesterday's hopes and dreams today's reality and tomorrow's treasure of memories.

Love and a hug,  
Mom & Dad

Joleen,

Your hard work has laid the foundation for future success. Good luck! We are so proud of you!  
We love you, Mom & Dad

Dear Laura,

We wish you every best, as you embark your career as a teacher. May it bring you fulfillment and joy. We are so proud of you. Congratulations!

All our love, Mom & Dad

Dear Amy,

You're off to great places! Today is your day! Your mountain is waiting. So get on your way!

Love,  
Mom, Dad, Brain, & Craig

Dear Allison,

Words cannot express how proud we are of you. You are (and always will be) "the wind beneath our wings."

Love, Mom & Dad

Christopher M. Friday,

Congratulations for a job well done! Good luck in the future entertaining the multitudes like you've always entertained us. We love you.

Love, Mom & Dad

Dear Bobby (Robert Cavanaugh),

You always said you would be successful. Now you have done it.

We love you,  
Jason, Lisa, Kaylee, & Kyle

Dear Sandra Davidoff,  
We are so proud of you. May all your hopes and  
dreams come true. You deserve it.  
Congratulations.  
Love, Mom & Dad

Congratulations!!!  
Julie Marie-1997-graduate of SUNY  
PLATTSBURGH. We are very proud of you. You  
set your goals and achieved them. Accepted  
challenges became a leader. You are a beautiful  
young woman with a fantastic future ahead of you.  
May your life be filled with love, health, happiness,  
peace and success. What a precious gift you are-  
my daughter.  
I love you, Mom & family

Bob,  
We love you so much. You've made us so proud.  
Thank You!!  
Love, Mom, Dad, Joe & Pete

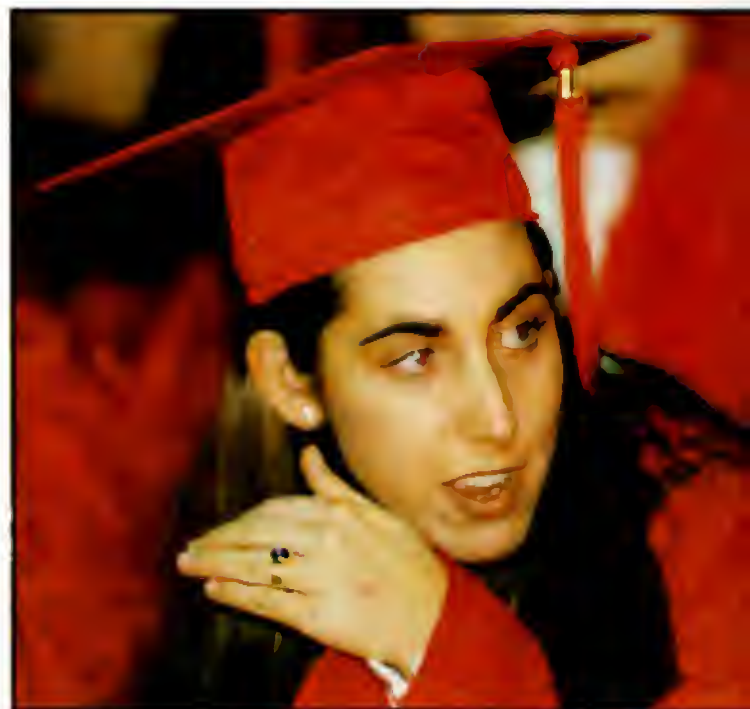

Bob,  
We always said you were great; Thanks for proving  
us right. We love you.  
Love, Michelle, Mike, Mikey, & Nicole.

Dear Jonathan Mangano,  
Life's great journey begins with a single step.  
Journey well.  
Love, Mom, Dad, & Christopher

Crystal Lee Lytle,  
Congratulations on your accomplishments. It's been  
a hard road but you did it! Good Luck in Florida and  
always remember we are proud of you.  
Love, your family.

Dear Toni,  
The heaven and earth are proud of you and will be  
watching you on your special day. Congratulations!  
All our love, Your family

Rebecca,  
You came into our lives with a bang and everyday  
since we have been blessed to share your world.  
Now you are ready to begin your journey to fulfill  
your dreams, "so be your name Buxbaum or Bixsy or  
Brey or Mordecai Ali Van Allen O'shea, (or  
Horowitz) You are off to Great Places! Today is your  
day! Your mountain is waiting. So..... get on your  
way!"  
All our love,  
Mom, Dad, Lorie, Seth, Kate

Dear Patricia Glynn,  
 May the road rise to meet you. May  
 the wind be always at your back. May the Sun shine  
 softly upon your face and until we meet again in the  
 Palm of His hands. All your hard work and  
 determination has paid off. We are all so proud of  
 the wonderful young woman you have grown into.  
 You will succeed in all that life has to offer you. We  
 love you. God bless you.

With Love,  
 Mom, Dad, Gummie, Brenda, Denan, Kathleen,  
 Rosemarie, Frances, & Precious.

Dear Julie,  
 Congratulations on your accomplishments. You  
 deserve nothing but the best. We are proud of you  
 Julie. We wish you the best of luck, health and  
 happiness to last a life time.

With Love,  
 Mom, Dad & Erica

Hi Julie,  
 What a wonderful cousin you have been to me. I  
 just want to congratulate you on your success and  
 wish you the best in Grad. school.  
 Love, Rita

The Savage family is extremely proud of our shining  
 star, Vonetta. Congratulations on your exceptional  
 academic achievements. Keep on soaring girl, we  
 know you can do it. Aim for the sky and catch that  
 star.

Love always,  
 Mom, Fawder, Denton & Keisha

Mom (Ellen) and Dad (Larry),  
 Thanks for everything.  
 Love, Eric

# Bye-Bye Baby

Chief Editor's Exeunt

With sincerity, I can say being Editor In Chief was an experience I shall never forget. It was 50% perspiration, 30% high anxiety, 10% wondering how I could have possibly got talked into this, and 10% fun. Now that I've put the final period on the final sentence, and cropped the last photo, I must admit this experience was a valuable one. I learned to be even more patient with people. I also learned the value of having a plan B. Things don't always go as planned and people don't always pull through.

I thought being a senior I'd already found my limitations. Being Editor In Chief of the *Cardinal Yearbook*, Executive Vice Presidents of the Student Association, a Resident Assistant in Mason Hall, oh and a full time student, forced me to expand past all limitation I thought I had. I now know my strength. I'd like to thank all the people who've contributed to my mental growth. I am sincerely thankful to all those who have showed interest in my spiritual, academic, and personal growth.

First thanks to FELICIA GREEN, the grandmother who guides my spirit and to my mother, LORNA and sister KEISHA. At every dawn their love saves me. Thank you GEORGE PETRO. If you weren't here, this yearbook wouldn't be here either. You are an excellent sales representative. Thanks for

the Lobster, steak, and Cigars (wink, wink). NERLANDE, my best friend thanks for the laughs and emotional support. I was carrying a mountain this semester, but you made me believe that I could -- and I did. NANCY thanks for caring and listening. You don't know how much your eyes and smile soothe me. KLEEV and TANIA, I admire your concern though you've already published your *Cardinal Yearbooks* and both have graduated; thanks for looking out for me. ROBIN BROWN got any pictures we can borrow? Thank you ROBIN for all your help. You got us out of many binds. CRYSTAL you're a reliable staff member, never gave me any trashy excuses, and pulled through 100%. Now get off that bar stool and help me drink this. Thanks to ERIC, who thinks he's a photographer, and comes up with creative adjectives to call me: hey, love peace and nipples my \*!@&= photo editor! Thanks to my STAFF members. I appreciate all your hard work. Thanks to members of my graduating class of 1997. All those I had the

pleasure of knowing and those I only brushed elbows with. In freezing Plattsburgh winters, all your smiles thawed me. Love and Good luck in Everything my fellow Burghies. I love you. Now get a job and SHOW ME THE MONEY!
